# LANGLADE COUNTY OUTDOOR RECREATION SURVEY

Langlade County is updating its Outdoor Recreation Plan for 2007-2011 and we would like your input. The new five-year outdoor recreation plan will be used to identify new projects for development as well as which county parks or county forest segments need to add additional recreation facilities (like trails, buildings, or camp sites). The plan enables Langlade County, and all local units of government to be eligible for competitive federal and state outdoor recreation grant money.

Please feel free to make comments on a separate sheet of paper and mail that sheet with this completed survey to be **postmarked by October 15, 2011**,
