Bicycle and Pedestrian Facilities Program

Purpose: Funds projects that construct or plan for bicycle or bicycle/pedestrian facilities.

Hazard Elimination Program

Purpose: Bicycle and pedestrian projects are now eligible for this program. This program focuses on projects intended for locations that should have a documented history of previous crashes.

Incidental Improvements

Purpose: Bicycle and pedestrian projects are broadly eligible for funding from most of the major federal-aid programs. One of the most cost-effective ways of accommodating bicycle and pedestrian accommodations is to incorporate them as part of larger

reconstruction, new construction and some repaving projects. Generally, the same source of funding can be used for the bicycle and pedestrian accommodation as is used for the larger highway improvement, if the bike/pedestrian accommodation is “incidental” in scope and cost to the overall project. Overall, most bicycle and pedestrian accommodations within the state are made as incidental improvements.

Local Transportation Enhancements (TE)

Purpose: Funds projects to increase multi-modal transportation alternatives and enhance communities and the environment. Projects include bicycle or pedestrian facilities, landscaping or streetscaping, and the preservation of historic transportation structures.

National Scenic Byways Program

Purpose: The National Scenic Byways Program provides grants to States and Indian tribes to implement projects on highways designated as National Scenic Byways, All-American Roads, America’s Byways, State scenic or Indian tribe scenic byways. Eligible activities include planning, development, or implementation of a corridor management plan, safety improvements to accommodate byway travelers, facilities for pedestrians and bicyclists, rest areas, turnouts, highways shoulder improvements, overlooks, or interpretive facilities, access to recreation enhancements, resource protection, tourist information, and byway marketing.

Paul S. Sarbanes Transit in the Parks Program

Purpose: The program aims to enhance the protection of national parks and public lands and increase the enjoyment of those visiting them, by providing funds to support public transportation projects in parks and public lands. Non-motorized transportation systems such as facilities for pedestrians, bicycles, and non-motorized watercraft are also eligible.

Safe Routes to School (SRTS)

Purpose: Safe Routes to School programs encourage children in grades K-8 to walk and bike to school by creating safer walking and biking routes. Projects must be within 2 miles of a school that has a SRTS plan, and funding requires a 20% match.

Surface Transportation Program (STP)

Purpose: These funds may be used for public transportation capital improvements, car and vanpool projects, fringe and corridor parking facilities, bicycle and pedestrian facilities, and intercity or intracity bus terminals and bus facilities.

Transportation Alternatives Program (TAP)

Purpose: The Transportation Alternatives Program allocates federal funds to transportation improvement projects that “expand travel choice, strengthen the local economy, improve the quality of life, and protect the environment.”

Federal Assistance Programs

All other federal programs are listed under Wisconsin DNR Administered Programs.

Challenge Cost Share Program (CCSP) – National Park Service

Purpose: The Challenge Cost Share Program supports local projects that promote conservation and recreation, environmental stewardship, education and engaging diverse youth participants. Local project partners work with National Park Service parks and programs to achieve mutually beneficial outcomes. NPS administered parks and programs are eligible such as National Trails, Heritage Areas, and Wild and Scenic Rivers.,

One-third of the CCSP pot is earmarked for National Trails System Projects. Thus supporting work under the National Trails System Act (16 U.S.C. 1241-51), such as: National Scenic and Historic trails, National Scenic and Historic Trails in parks, National Recreation Trails, and rail-trail projects.
