1	Great park!	7/1/2024 2:47 PM
2	Need to put additional no wake buoys and signage up. See way too many that do not pay attention to lake rules.	6/30/2024 9:33 AM
3	Watr levels have affected beach use, but more attention needs to be given to beach improvements. Shoreline improvements also are needs to provide more space for shoreline fishing and hiking	6/27/2024 4:34 PM
4	Good location....	6/27/2024 1:46 PM
5	So many people are interested in the Native American connection - great to promote that (if we can do it without jeopardizing the mounds...	6/19/2024 5:10 PM
6	we love to use this park as just a daily get away. we live close by, dont camp but have used the lodges and always satisfied	6/18/2024 6:52 PM
7	Signage could use improvements. Maybe clear some brush 6th St (going down the hill to boat landing) for better visibility of pedestrians and bikers, especially during low light	6/17/2024 2:43 PM
8	So difficult to contact anyone to rent the lodge in the winter.	6/11/2024 1:57 PM
9	More park benches. One by the road and one by the small building on the other side of the park.	6/11/2024 11:26 AM
10	Don't like the reservation system. Prefer state park reserve system	6/10/2024 7:18 AM
11	I only go there for the beach.	6/8/2024 11:05 AM
12	Campsites too close together except for walk in sites	6/7/2024 7:28 AM

14	Beach used to be nice but isn't left. stairs are hard to navigate	6/6/2024 12:35 PM
15	As a kid my family would frequent this park to swim. It was a rite of summer. The last time I was there, it seemed run down and had lost the luster. The steps down to the lake seemed unmaintained.	6/6/2024 9:54 AM
16	Bathroom facilities in the east lodge would be a great addition. The west lodge needs some updating.	6/3/2024 5:18 PM
17	Difficult to get a campsite	5/29/2024 1:54 PM

1	Need to go back to some first come campsites and get away from reservations for all. Every time we camp, there are multiple reserved but unused sites. This is frustrating in never being able to use the campground unless you reserve months in advance, 11 months in advance for the better sites.	6/30/2024 9:34 AM
2	As a PC resident and tax payer, it is unfortunate that I cannot get a campsite. The ALL on line reservations are great for making money, but not so great is someone local wants to get a site. I preferred keeping some site first come, first served. I doubt many of them went unused.	6/19/2024 1:44 PM
3	Haven't been there for a few years.	6/17/2024 8:26 AM
4	With camping become More popular It is almost always full. Has it been looked into expanding the park?	6/14/2024 3:55 AM
5	The steps to the beach are a hindrance for many...the elderly, disabled and young families.	6/3/2024 5:21 PM
6	The area where the tornado hit need to replace tree's for more shade, very hot in that area. Bathrooms need more maintenance ( scrape the old paint and repaint inside.	5/26/2024 11:27 AM

2	Love the dog park!!	6/30/2024 1:32 PM
3	Great cross country venue	6/27/2024 4:36 PM
4	Nice facility	6/27/2024 1:48 PM
5	Planting a couple more trees in the dog park where the trail is in full sun would be nice to make more shade along the trail	6/26/2024 5:01 PM
6	Beautiful place, and the lodge is great!	6/19/2024 5:11 PM
7	Why isn't the new building available to rent?	6/19/2024 1:46 PM
8	our family loves standings rocks. we are year -round users. however, the trail systems have become much more than what was. not all bad, we would just hate to see this park over used and over its capacity for sustainability.	6/18/2024 6:55 PM
9	Great bike trails. A real gem. I tell everyone about this place	6/12/2024 10:25 PM
10	Didn't get to go xountry skiing last year but that due to no snow due to the climate crisis. Fingers crossed we get snow this coming winter	6/12/2024 8:57 PM
11	Wish the lodge was more accessible during practice days for the bike team and the wifi was more consistent (its down/offline often)	6/12/2024 6:32 PM
12	Easier way to get up hill when skiing down. Rope gets slippery and you can't get back up.	6/11/2024 1:58 PM
13	Need a bathroom at dog park and water near entrance would be great.	6/10/2024 1:32 PM
14	Stop cutting down trees and bushes in the dog park. No one wants to exercise their dog in an open field. A park is defined as a place with trees. Stop cutting them down. Another garbage on the back 5 of the dog park would be nice	6/8/2024 4:41 PM
15	I'd like to see increases in snow making with more snow making on the nordic ski trails	6/8/2024 3:26 PM
16	Great dog park. Would be nice if the pit toilets were located at the dog park, though.	6/8/2024 11:06 AM
17	It would be awesome if the boorc could be open more. it is nice that there is a warming area and bathroom available all of the time. Signage can always be better, thank you for what's there!	6/7/2024 11:56 AM
18	It's AWESOME that SPASH and other schools are able to use Standing Rocks for their cross country running meets and a few practices. A beautiful place, and SO much better than running races on golf courses. Thank you!	6/6/2024 8:51 PM
19	The disc(k) golf course is world class	6/6/2024 5:49 PM
20	Great job maintaining the dog park	6/6/2024 1:41 PM

1	Nice place to stop for a walk	6/27/2024 4:36 PM
2	Odd that lights in restroom didn't activate when I tried to use it this last week... In the dark, I guess you could say	6/27/2024 1:50 PM
3	lots more use by homeless than id like	6/18/2024 6:57 PM
4	It's difficult to get in with larger campers - road/trees quite narrow	6/17/2024 8:23 AM
5	Have only been there for an event held at a lodge	6/14/2024 11:56 PM
6	Wish the beach was nicer, cleaner, kept up more	6/12/2024 6:33 PM
7	should open earlier in the spring	6/12/2024 4:46 PM
8	The green scum on Jordan Pond really takes away the ability to swim. I'm not suggesting chemical treatment. I recognize that the algae is mostly from nutrients coming from upstream. The park should do their part to minimize erosion and fertilization that contributes to algae blooms.	6/6/2024 8:53 PM
9	Needs better poison ivy control	6/6/2024 3:25 PM
10	Having the main sign for the park across the street, by the dam, has always struck me as odd.	6/6/2024 2:59 PM
11	The trails have some pretty impressive white pine but are poorly developed. Markers driven into trees are an insult. Need to actively keep ATV's off walking trails. The beach is iffy usually for quality of water.	6/6/2024 2:17 PM
12	Boat launch for kayaking	6/6/2024 1:42 PM
13	too crowded to camp, haven't been since the pandemic, all campsites are always reserved. too many people.	6/6/2024 12:21 PM
14	campground too crowded... haven't camped since the pandemic	6/6/2024 12:16 PM
15	Put in handicap kayak launch's.	6/6/2024 9:42 AM
16	Like the accessibility of the playground to the west lodge. Availability is very limited unless you book very early. Acoustics in the lodge could be improved. Otherwise, best park in my opinion.	6/3/2024 5:25 PM
17	It would be nice to see the nature center being used more and open more often, and bring back more naturalist led programs year round. It would also be nice to have a groomed cross country ski trail here.	5/29/2024 4:27 PM

1	Have a suggestion for a better dumping system:: eliminate the sharp turn and going through the main camp area.. come in on the inlet, turn left, straight by the drain field, continue around to the dumping station... may lose site 13, but a lot less traffic in the park.. a couple loads of gravel, maybe one tree... would certainly be a better system then you have now!	7/21/2024 6:46 PM
2	Love the park	7/10/2024 1:13 PM

1	This is such a great place to enjoy the outdoors, with family and friends. When I have to cancel... with proper notice... it would be nice to have the money paid previously...to be kept for one year...to be used up until one year... if not used .... Then lose it!!!	7/21/2024 6:50 PM
2	Please consider removing dead limbs from trees, take down dead trees for the safety of the campers. Why did you take the trees down at the beach? They were much needed for shade. Expand the beach, boat parking, remove the ball field and put in a new park shelter or campsites (no one uses the field to warrant it). We have been camping here 20 years and have enjoyed the upgrades over the years. Fire rings are in weird spots for some of the sites.	7/15/2024 7:41 AM

5	Yes, when I went to skip "DuBay Park Campground" the survey did not let me skip as a non-user. I have used the picnic area on occasion, that's it.	6/6/2024 2:22 PM

1	Have never used...	7/21/2024 6:52 PM
2	The beach is quickly becoming overgrown and the swimming area is shrinking.	7/21/2024 11:20 AM
3	Fill in the low spots - half a site was flooded when it rained. Bathrooms were constantly wet.	7/15/2024 11:45 AM
4	Survey wouldn't let me skip this park	7/15/2024 7:48 AM
5	My only concern is the lack of attention given to the beach and swimming area. The aquatic vegetation of Evasive Milfoil and Cattails are closing in and choking out the swimming area. If you sit on the beach the cattails block the view of the lake. I have been camping at Collins's Park all of my life with my family. We even drove up one year to attend a park and rec meeting to speak on this point but the condition is only getting worse. Something must be done about this.	7/14/2024 12:46 PM
6	Swimming area is way overgrown and almost unusable. This MUST CHANGE!!	7/13/2024 10:38 PM
7	Swim area needs to be taken care of more often, weeds are growing into the area that most people come to swim in. The sand/play area also needs some help so it's more accessible to those older who like to swim	7/13/2024 5:29 PM
8	Need swimming area cleaned and opened up. Been camping there for two weeks for 45 years.	7/13/2024 1:54 PM
9	Please clean up the water front. I have been swimming and camping here for over 35 years. The rangers who sold treats and lived in site, the rangers who worked days, pit to flush toilets!!!! The beach has moved...steps were added...I know invasive species were looked at-the park personal were there one summer at the beach the same time as us...are things being done? Beach area is continuing to be enveloped. This park is a gem-help keep it that way!!!	7/13/2024 12:01 PM
10	The swimming area is very limited and in very poor shape	7/13/2024 9:04 AM
11	Maintain swimming area Treat aquatic vegetation	7/13/2024 8:07 AM
12	Restrooms - soap should be checked more frequently- women's restroom without soap for 3 three days	6/30/2024 12:54 PM
13	Nice place to stop for a walk	6/27/2024 4:39 PM
14	Why does the lake have such intense weed growth along the shoreline? Bluegill fishing is impossible from shore, virtually.	6/27/2024 1:55 PM
15	campground floods too much	6/18/2024 7:01 PM
16	Lovely park. Glad they switched to reduced mowing of the shoreline. The county should purchase nearby land to expand hiking so people don't have to walk on the road.	6/16/2024 4:58 AM
17	I never use it, so no opinion.	6/12/2024 7:04 PM
18	Could use a bigger beach, more fishing piers	6/12/2024 6:35 PM
19	I've never heard of Collins park	6/12/2024 4:50 PM
20	Never been there	6/11/2024 1:59 PM
21	Good swimming	6/10/2024 7:57 AM
22	I have never been to Collins Park, not even sure where it is. I selected never and it brought this section up anyway.	6/8/2024 11:08 AM
23	i haven't been to collins for a few years, so i don't know the conditions. I did select 'never'. When i did go to Collins, i enjoyed it but it was just a family gathering or swimming.	6/7/2024 11:58 AM

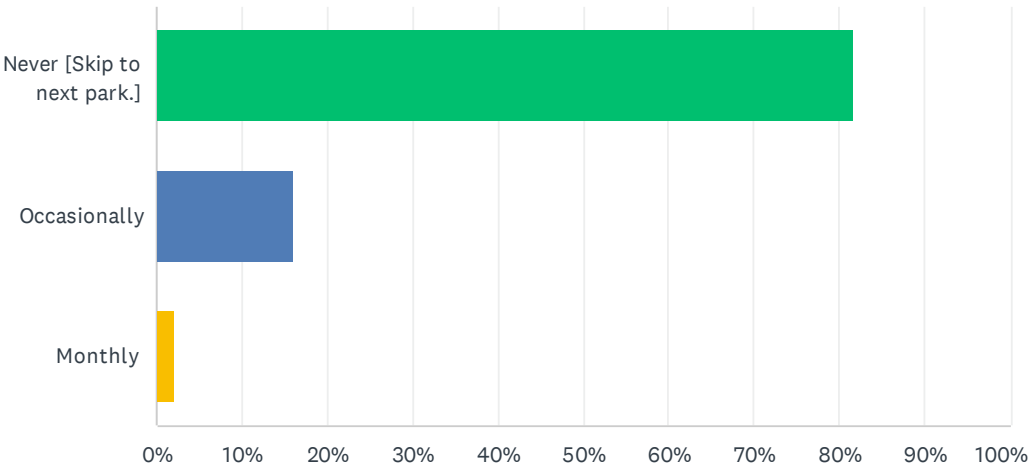

## Portage County Outdoor Recreation Survey, 2024

24	Love it.	6/7/2024 10:12 AM
25	I love the unmowed areas along the shorelines. Consider adding signage about the benefits of natural shorelines and not mowing for fish and wildlife habitat, and protecting water quality	6/6/2024 8:55 PM
26	Nice little park. Fishing sometimes good. Beach is okay.	6/6/2024 2:27 PM
27	This survey requires that I respond to Question 8 "Rate your overall satisfaction with Collins Park" but I have never been there. There should be an NA option if I am required to answer.	6/6/2024 2:00 PM
28	Survey didn't skip Collin's. Never use	6/6/2024 1:44 PM
29	flaw in survey. I don't use this park	6/6/2024 11:56 AM
30	Never been	6/6/2024 11:42 AM
31	I've never been to collins park	6/6/2024 10:48 AM
32	Collins site definitely needs fill on the sites very low and water sits in many of the areas and makes it less enjoyable for many campers. It's been like this for years especially site 25. Table is under water and a mud hole	5/26/2024 11:32 AM

No way, no how. (I'm not interested in biking at all, not even for recreation.)	20.34%	24
Interested but concerned. (I like riding, but don't do it regularly. I'm generally concerned that my route is not safe to ride, so I don't ride often. I definitely do not ride when the weather is bad.)	37.29%	44
Enthusiastic and confident. (I feel comfortable sharing the road with motor vehicles, but I prefer to ride on separate facilities like bike lanes. I may or may not ride in inclement weather.)	31.36%	37

3	The speed limit approaching Kellner on county U is toooooo High!!!	7/8/2024 9:59 PM
4	We need better and more bicycle infrastructure, the type that separates bicycles from the roadways.	7/1/2024 3:55 PM
5	County developed a bike/pedestrian plan with guidelines for rural & urban areas some years back...lots of good ideas but the county never followed up with any support or funding...this needs to be revisited!!!	6/27/2024 4:47 PM
6	Does the County website point to bicycle routes? I'll have to disable check....	6/27/2024 2:03 PM
7	The Green Circle is one of the best trails in the state, PC should continue to connect outlying areas to the Green Circle with rural trails.	6/19/2024 1:56 PM
8	Please invest in mapping, signage and promotion of bicycle trails and routes in Portage County. This would help link small rural communities, numerous local, county and state parks and natural areas, and other amenities. Eastern Portage County is particularly poised to be a destination for road and trail riding. This is an economic development tool that would attract people locally and regionally.	6/19/2024 11:45 AM
9	More connections to existing trails such as green circle	6/17/2024 1:02 PM
10	Mountain bike trails	6/15/2024 5:44 PM
11	The responses written for "what type of bicyclist are you" are leading and biased. I am a casual rider and that is not because I have concerns with safety or weather!	6/15/2024 12:08 AM
12	There need to be more bicycle-only paths and not just for recreation, also for shortcuts that cars can't take.	6/13/2024 2:31 AM
13	More bike lanes! More separated bike paths along roads! Considerations for using biking as a means of commuting even for inter-town travel that would take longer than an hour. Biking needs more respect as a commuting method and recreation.	6/13/2024 2:27 AM
14	While I do enjoy cycling for enjoyment, I also regularly commute on my bike as well	6/12/2024 10:29 PM
15	Separated bike lanes would make biking safer on city streets. "Urban shoulders" should be upgraded to actual bike lanes and people should not be able to park in the space designated for bikes. Specifically, I use Jefferson St OFTEN and there are always cars parked in my way, so I spend half the time weaving in and out of the "urban shoulder" to avoid the cars as well as general debris. Motorists frequently drive aggressively around me, revving their engines and cutting very close to my bike, sometimes even shouting things at me.	6/12/2024 7:29 PM
16	Needs more ways to get places, too many require extensive detours to avoid major highways	6/12/2024 7:07 PM
17	It is better than previous yrs, but better painted lanes are needed, and needs to be cleared better in the winter	6/12/2024 6:42 PM
18	Need more bike trails	6/12/2024 8:32 AM
19	Please, please, PLEASE STOP WITH THE BIKE LANES!! Bikers still just bike in the middle of the road anyways. No bikers abide by rules of the road. Bikers need to be monitored and held accountable for their actions, they are going to cause accidents. Someone is going to get	6/11/2024 8:16 PM

hit or killed and it's going to be the fault of the biker but blamed on the vehicle. Something needs to be enforced, some how.

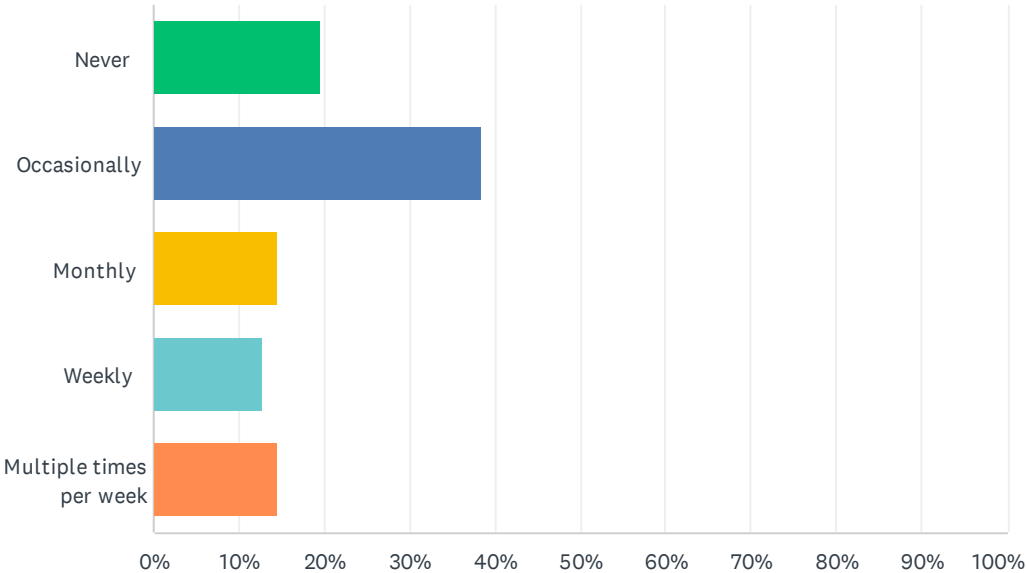

20	More bike lanes	6/10/2024 2:44 PM
21	Like improvements made so far. Love Green Circle trail! Continue expanding and improving!	6/10/2024 8:07 AM
22	Keeping bike lanes clean. Most of them are full of gravel, garbage, glass and metal. Bicyclists don't want to ride in them if they are like this. That is extremely dangerous	6/8/2024 4:46 PM
23	I'd like more dedicated bike lanes and bike trails.	6/8/2024 3:30 PM
24	1. Teach the cyclists that they are to ride with traffic and not against and not on the sidewalk. Teach the car drivers this as well. I have lived in a number of places all over the country. This is the only place where no one (cyclists, pedestrians, motorists, or law enforcement) seem to remember the most basic rules of the road that we were taught in kindergarten and then again in driver's ed. Teach people to use a little bit of common sense and to obey the most basic of traffic laws (need to get the police to do this first!!). I would prefer to ride my bike to work or the gym, etc. but with Portage County has, without question, the worst drivers I have EVER seen. I do not feel safe biking around here unless I am on the Green Circle Trail.	6/8/2024 11:17 AM
25	support overall feels pretty good. some drivers hate cyclists or are very impatient or intentionally allow minimum distance when passing on roads. I'm not sure how to improve this, but if signage or a campaign can help, i'd support it.	6/7/2024 12:06 PM
26	Roadways with heavy vehicle traffic need bike lanes and/or paved shoulders for bike safety. Round about should be installed at road intersections because they are much safer for bikes and pedestrians to cross than lighted or stop signs.	6/7/2024 10:34 AM
27	I love biking tons of options, WITHOUT the need to put in bike lanes all over town.	6/7/2024 7:43 AM
28	I bicycle regularly in Stevens Point and on the Green Circle Trail. It's great, especially with the new painted bike lanes. I'm not in favor of cutting down trees and bulldozing along county roads to widen the road and add bike lanes, as was done along Hwy Z.	6/6/2024 9:11 PM
29	I look forward to the updated plan and any and all improvements in safety, access, and aesthetics for bicylists and pedestrians. Important locations: Country Club Drive from Patch Street north to Hwy 10; McDill Avenue from Olympia Drive east to Crossroad Commons; Business 51 from Main Street north to North Point Drive; downtown conduits across Water Street to the Riverfront.	6/6/2024 5:36 PM
30	Need more public investment to make biking more safe.	6/6/2024 3:31 PM
31	The Green Circle and the Tomorrow River Trail are both great and deserve continued support. I love them both	6/6/2024 3:06 PM
32	Leisurely trails need to be marked on little used county roads or town roads. Main highways are unsafe PERIOD and riding should not be encouraged or enabled on any of them. Great caution has to be exercised where bike trails cross highways. New hwy 66 bridge crossing is...unusual have already noticed cyclists ignoring and riding on main bridge! Crossing traffic lanes to use bridge even with lights is potentially dangerous. Plover River crossing is off the beaten track for new users.	6/6/2024 2:51 PM
33	Need to extend the green circle to Jordan park!	6/6/2024 12:00 PM
34	Adding a pump track or skills course at Standing Rocks or other location would continue to make Portage County a destination for cyclists from across the Midwest.	6/6/2024 11:36 AM
35	Develop more bike and pedestrian paths and trails in the Village of Plover. We do not need all these bike lanes.	6/6/2024 11:35 AM
36	We need to educate the public on sharing roads with bikes	6/6/2024 11:15 AM
37	I'd love to see more and clearer bike lanes! I'd also love clearer bike routes and more bike parking.	6/6/2024 10:38 AM
38	Access to bike parking can be limited in some areas. I stick to less traveled roads rather than busy roads. Trail development would be appreciated.	6/6/2024 10:07 AM
39	I want to ride more, but I haven't ridden in ages. I'm hoping the Green Circle Trail will be a safe place for an unconfident rider.	6/6/2024 10:03 AM

3	Silent sports should be prioritized over costly ATV/UTV & snowmobile activities.	7/1/2024 3:56 PM
4	For too long, Portage County has neglected the need for a coordinated county-wide system of bike/pedestrian trails/roadways that could extend out from the Green Circle and encompass numerous destinations in rural areas. Officials have overlooked the recreational and economic benefits of just such a system, and have not kept pace with the development of such routes & support facilities in our neighboring counties. Portage County needs to seriously consider those rural county sites and municipalities as integral parts of this system. Local leaders need to see that Portage County will dedicate itself both organizationally and financially support a county-wide system, as this will be a huge benefit to the residents of Portage County as well as those seeking out these facilities and visiting our park system.	6/27/2024 5:40 PM
5	Nice assets.	6/27/2024 2:03 PM
6	Gates should be closed during the summer to keep motorized vehicles off of the trail. The bridge over the tomorrow river should have extended fencing on either side, it seems dangerous to me. Finish the trail from Alm Road to Amherst Jct. Connect the trail to the Village of Amherst.	6/19/2024 1:58 PM
7	Please invest in Tomorrow River State Trail. There are missing segments and no investments have been made in trailhead amenities as originally planned. This would be a great way to link Stevens Point and Green Circle with eastern Portage County, Waupaca County, etc.	6/19/2024 11:47 AM
8	Open the Tomorrow River trail to UTV's	6/18/2024 8:14 PM
9	A connection to the Green Circle from areas in south Plover would be nice	6/17/2024 1:03 PM

14	It would be nice to walk along the river in the winter. Wisconsin Rapids keeps their river trails plowed and people can walk on them in the winter.	6/10/2024 4:09 PM
15	Garbages along the route would be helpful to keep the paths clean. Also the emergency kiosks cuz it can be scary to be out there alone as a woman without a knowing exactly where you are if you need help.	6/8/2024 4:47 PM
16	The Green Circle Trail is the crown jewel of Stevens Point and Portage County. I'd like to see it grow to connect Stevens Point to surrounding communities and provide interconnected riding routes, similar to what is available in Vilas County.	6/8/2024 3:31 PM
17	Dog poop on the trails	6/8/2024 2:48 PM
18	Please add recycling and trash receptacles to GCT trail heads/parking lots.	6/8/2024 11:18 AM
19	thanks for taking recreation seriously even if there are some who don't want to see land developed or bicycles on the roads. On balance, I believe it makes the community better.	6/7/2024 12:07 PM
20	You would get more bicycle riders if Tomorrow River trail was paved to reduce mud, dust, and pot holes. Green circle trail sections should be paved to prevent washouts that are dangerous.	6/7/2024 10:36 AM
21	The Green Circle Trail is AWESOME!	6/6/2024 9:14 PM

22	Whenever these trails have a quick, steep hill there should be an alternate path around it. This would be a great help to the elderly and "not so strong" users.	6/6/2024 3:08 PM
23	Unaware of the "state" status for the Green Circle.	6/6/2024 2:52 PM
24	Need to extend the green circle to Jordan park!	6/6/2024 12:01 PM
25	I would appreciate more sitting spots and toilet facilities along the green circle trail.	6/6/2024 11:59 AM
26	The Green Circle by the River in Point is getting really bumpy. Maybe the city, county, and green circle could work together to find a solution for the tree roots pushing the pavement up.	6/6/2024 11:37 AM
27	Tomorrow River trail needs to be connected to the Green Circle.	6/6/2024 11:36 AM
28	The trail under the interstate is wonderful. The more bike access to businesses the better.	6/6/2024 10:08 AM
29	I want more places to park so I can start at different sections, and I'm waiting for the mosquitoes to die down again, but overall the GCT is one of my all-time favorite things about living here.	6/6/2024 10:05 AM
