

## Train warning sign & sidewalk stencil in Wauwatosa.

These signs were installed after children were hit by trains as they walked to school.

Source: Image capture: Sept 2014, Map data ©2018 Google

N 70<sup>th</sup> St on south side of tracks & south of W State Street.

Notice the “STOP for TRAINS” sign painted on the sidewalk to supplement the “LOOK FOR TRAINS” sign.

Notice the height off the ground that the “LOOK FOR TRAINS” sign is installed at (about 3-ft off the ground, so it is at the height of kids).
