## Q6 What additional improvements would you like to see in Eagle Lake County Park?

Answered: 52 Skipped: 1,064

#	RESPONSES	DATE
1	Less out of state visitors	10/2/2022 9:28 AM
2	Allow dogs on leads.	10/1/2022 2:10 PM
3	New pier was good improvement! Grassy field gets a bit swampy after rain. Rest of park is wonderful. Nice buffer from new campground which ruined the peacefulness of that area.	10/1/2022 10:31 AM
4	More cleanup around the lakeshore, especially goose poop & dead fish	10/1/2022 8:20 AM
5	The pavilion reservation process is silly. Suggest building an additional one.	9/30/2022 7:09 PM
6	We would like to see year round, preferably heated, bathroom facilities at County Parks (as well as State Parks). We recreate outside year round; it is frustrating that a State and County that has a long, cold winter season often does not keep their bathroom facilities open year round.	9/27/2022 10:27 AM
7	Nothing major. Keep it in better shape.	9/22/2022 8:01 AM
8	None. Love it, as is.	9/19/2022 9:43 AM
9	More boat tie-up places and a place to let our dogs go potty	9/18/2022 9:41 PM
10	2 boat rams at this location.	9/18/2022 7:36 PM
11	Continue to maintain a quality setting.	9/18/2022 10:31 AM
12	I think boat parking could be improved. Some times the shore and pier parking is out of control.	9/17/2022 7:45 PM
13	There is a lot of goose "deposits" in area. Goose population is extreme.	9/17/2022 3:27 PM
14	Improve what you presently have.	9/16/2022 2:34 PM
15	Playground, dog area.	9/16/2022 12:29 PM
16	I'd use park more if I could walk my dog on a leash	9/15/2022 12:27 PM
17	Better organization of the boat trailer parking. Allow pets on leashes.	9/14/2022 4:01 PM
18	None at this time.	9/14/2022 11:46 AM
19	Clean up the animal fecies by the beach	9/14/2022 11:05 AM
20	Better cleanliness and community participation.	9/13/2022 10:22 AM
21	needs tree limbs trimmed badly	9/12/2022 9:26 AM
22	Either improve or expand the pier to better accommodate boaters or develop an area specifically for anchoring boats that is practical and usable.	9/12/2022 8:34 AM
23	With what we use at the park it is very good	9/11/2022 8:13 PM
24	Dual boat launch	9/11/2022 7:10 PM
25	The boat landing itself is good, however the entire area around boat landing road and parking area needs a good tree limb trimming up to about 14 ft high straight up. Our pontoon top rubs in the branches in parking/launch area and everyone drives down the middle of the roadway. You are losing alot of useful square feet in this busy space because of limbs hanging too low, potentially scratching peoples boats and vehicles. Also the large scrub oak and other brush/limbs hanging out over the water and dock needs to be removed from docking area.	9/11/2022 6:46 PM

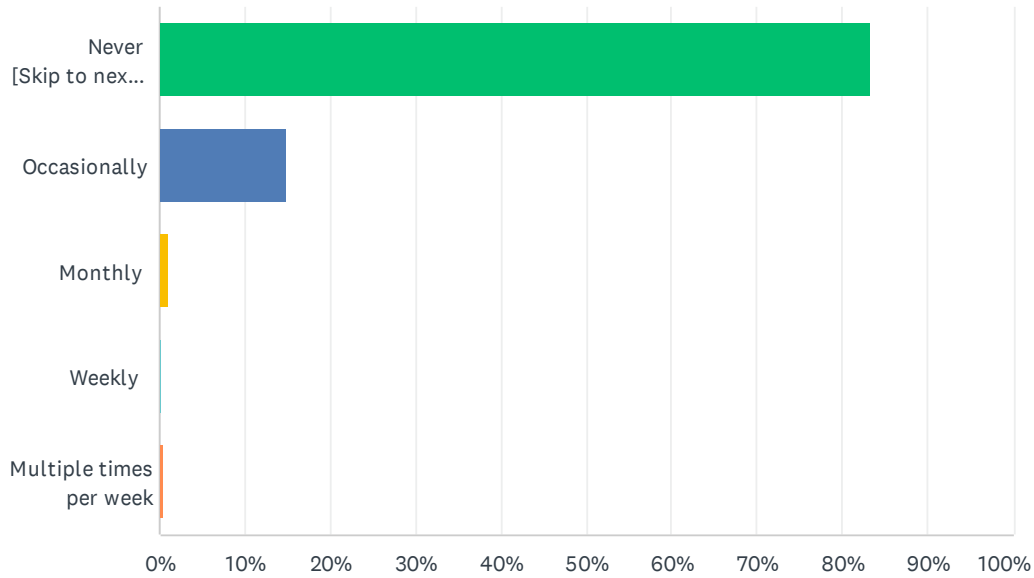

## Vilas County Outdoor Recreation Survey

when beaching boat at dock you can't exit your boat without getting poked and scratched by tree limbs. This is a boat landing, not a natural area. This work would be a huge improvement for very little cost. Also the large commercial/dockwork boats that use the landing regularly beat the snot out of the dock, perhaps a commercial launch permit is needed to maintain/repair their damage. Thank You

26	More tables	9/10/2022 9:11 PM
27	Allow pets	9/10/2022 3:09 PM
28	Improved parking area	9/10/2022 10:56 AM
29	More parking at the boat landing	9/10/2022 10:52 AM
30	Boat landing dock being kept in till at least October 15th	9/10/2022 9:13 AM
31	Parking lot partially plowed out for winter parking. Boat landing is always full of snowmobile trailers, no room to park to snowshoe or access the lake to ice fish with my family	9/8/2022 8:03 PM
32	More restroom facilities	9/7/2022 5:38 PM
33	Improvement of the shoreline vegetative buffer and control erosion at the lake edge. Control invasive species in the park	9/7/2022 4:21 PM
34	More OHV allowed.	9/7/2022 2:17 PM
35	Have you guys been to Eagle Lake County Park recently? Have you been on the Eagle River Chain of Lakes? Far, far too crowded! We are well on our way to turning our area into another Wisconsin Dells. I can't understand why people would live in the Eagle River area, or move to our area, and then want more growth and development. It's so dumb.	9/7/2022 12:55 PM
36	More horse trails	9/7/2022 10:33 AM
37	The dock could stand to be replaced. And a map of the site would be nice. I've lived here my whole life, and this is the first time I've seen anything about nature trails there. People should know what kind of amenities are available during their visit.	9/7/2022 8:30 AM
38	Playground near water would be ideal	9/6/2022 8:28 PM
39	More docks for boaters and larger parking lots.	9/6/2022 6:43 PM
40	More Dog friendly. We pull up in our boat every week and enjoy the sandbar but would use more of the facility if we could bring our dog in. Also, add playground equipment for kids.	9/6/2022 4:47 PM
41	More swimming area with a clean soft sand beach	9/6/2022 2:54 PM
42	Better rest rooms and better dock.	9/6/2022 1:53 PM
43	It's such a nice location but seemed dumpy. The beach was tiny. Bird crap all over the grass you had to walk in in order to get to the beach. Beach was small. Could use bathrooms and a better pier so you can jump off the boat and use the bathroom if needed instead of having people pee off their boats like I've seen.	9/6/2022 12:45 PM
44	Expand boat ramp to two ramps.	9/6/2022 7:50 AM
45	Need to expand boat landing parking lot..	9/6/2022 6:47 AM
46	None everything is good	9/5/2022 9:49 AM
47	Flush toilets; another pier, improve boat launch dock with more protective bumper sides.	9/4/2022 7:29 AM
48	Water traffic. How can more parking be satisfied. 30 min parking? Can vilas county buy more land? Make another park so that eagle isn't so crowded?	9/4/2022 1:11 AM
49	Make it dog friendly	9/2/2022 7:53 PM
50	OHM riding	9/2/2022 3:45 PM
51	More boat docks	9/2/2022 2:14 PM
52	play ground equipment, updated tables and benches	8/29/2022 3:34 PM

43	keep the sites secluded WITHOUT walking trails between the sites. The seclusion of the sites is what we like.	9/2/2022 2:42 PM
44	The campground is fantastic. However, if I had to find a fault, it would be the gravel/stone in the driveways of the original section. The stones are either to big and hard to walk on or so small that it tracks thru your entire camper.	9/2/2022 1:39 PM
45	Very pleased with torch lake. Been to many campgrounds. This is one of the nicest. Would love to see more bike trails around the area. I know they cater to the atv/utv trail riders in that neck of the woods, however more and more people are getting into the biking and other health related activities. Please look into this possibility. I'm Sure there are trails around	9/2/2022 1:32 PM
46	Love this park	9/2/2022 1:24 PM
47	Sewer on all sites. Cable or satellite friendly sites	9/2/2022 12:44 PM
48	I would love to see better campground hosts. The hosts were rude and unhelpful. Whenever we needed wood or something they were gone for hours at a time. We're asking about grills in the new campground, she said she was glad that the fires didn't have grates. We looked all over town for one so we could cook on it but never found one. They also let the unruly dogs bark like crazy, it was very annoying. People from other camp sites were even hollering at them to shut up. The ATVs wolf pull into the campground in the middle of the night. Last year camping at torch lake was wonderful. No problems at all. I already have three campsites for next year reserved, but I don't know.	9/2/2022 12:28 PM
49	The beach area could use some help. A small sandy beach area would be since to enjoy while camping at the park.	9/2/2022 11:45 AM
50	improve all, very dated and there is not a beach!	8/29/2022 3:35 PM

1	none, my favorite campground. hands down	9/19/2022 7:24 PM
2	None....love it!	9/19/2022 9:45 AM
3	Buddy sites should have campers face each other not back to back.	9/14/2022 7:48 PM
4	The BEST campground we've ever been to.	9/12/2022 6:58 PM
5	Perhaps some hiking trails so a person can hike and birdwatch.	9/10/2022 9:31 PM
6	An additional dump station. Bathroom floors are very slippery when wet.	9/10/2022 9:50 AM
7	more bike and walking trails	9/7/2022 6:18 AM
8	addition of hiking trails	9/6/2022 7:30 PM
9	Not very dog friendly at the parks in this county, disappointed with that!	9/6/2022 4:44 PM
10	More areas to walk or hike	9/6/2022 11:54 AM
11	Campsites in original section should be regraded/leveled. They are becoming crowned and make it more difficult to level the camper than it used to be. Really don't like the grill apparatus on the fire ring (blocks the fire from ~75% of the circumference of the fire-the new section without the grill is much better!). Please finish redoing the floors in the shower building. Install hooks in the shower rooms (some are broken). More slope in the shower rooms would reduce the amount of water that reaches the other side. There is no dry area to dress.	9/6/2022 8:09 AM
12	none - it's great the way it is	9/5/2022 4:31 PM
13	Pier on lake.	9/5/2022 8:12 AM
14	A hiking trail	9/4/2022 7:33 AM
15	Benches by the new playground up front. Speed bumps at beginning of campground and in new loop.	9/3/2022 9:39 PM
16	They're great already!	9/3/2022 4:50 PM
17	better marked trail to beach	9/3/2022 2:30 PM
18	Better storm water drainage in some areas.	9/3/2022 11:00 AM
19	enforcement no fireworks	9/3/2022 7:51 AM
20	Maps for road biking	9/3/2022 6:21 AM
21	Canoe & kayak rentals. Have rv so could not go rent one. Surrounded by lakes. Love fishing, no kayak.	9/2/2022 5:34 PM
22	more sites?	9/2/2022 5:18 PM

25	Bike trails	9/2/2022 1:34 PM
26	place some hooks in the showers so you can hang clothing and towels	9/2/2022 12:47 PM
27	The one thing for us that is missing is bike trails from the campground. The campground is awesome but would stay longer if we could bike from there.	9/2/2022 12:22 PM

## Vilas County Outdoor Recreation Survey

28	More secluded campsites.	9/2/2022 12:00 PM
29	Lower the fee a little please	9/2/2022 11:47 AM
30	This is a great campground, keep doing what you are doing it is a real treasure.	9/2/2022 11:47 AM

1	A sign stating that continued abuse of picnic area in the off highway motorcycle trailhead will result in closure of trails, aka tearing up of grass in the center of picnic area with motocross bikes	10/2/2022 9:35 AM
2	Biking /Hiking Paths	9/17/2022 8:48 PM
3	Electric and showers allow for longer stays. I still enjoy Rustic camping but it shortens the stay when you get sweaty and dirty riding. Sandy road limits access for some large rvs. Not my problem but I hear it stated.	9/11/2022 6:43 PM
4	I love how quiet and remote this campground is. It is well kept and the bathrooms are clean!	9/3/2022 9:53 PM
5	We now realize that this campground caters to atv users, but didn't know prior to arrival. People were as respectful as possible, but noise all day and night was a bit much. Knowing the close proximity to this trail will help atv and non-atv users.	9/2/2022 6:01 PM
6	Would love to see more publicly owned ohm trails!!!	9/2/2022 5:10 PM
7	More sites, dog walking trail.	9/2/2022 3:46 PM

Answered: 18 Skipped: 1,098

#	RESPONSES	DATE
1	Electric	9/21/2022 7:41 PM
2	The trails need to be marked better. We never could find the connecting trails for the Torch Lake loop or the Ski Hill loop. Definitely need more trails and they need to be marked better. The loop right there by the campground is a very nice ride. Riding the same loop 3-4 times though was not that great. The campground is very nice. Even with our bigger rig it was very easy to maneuver and set up. Thank you.	9/19/2022 8:16 AM
3	Electric and water hook up. Many more people would utilize campground if this was available	9/9/2022 8:25 AM
4	More trails.	9/8/2022 8:10 PM
5	Would like to see more campfire rings and picnic tables. Electricity at sites would be a wonderful addition.	9/8/2022 6:33 PM
6	I would camp here more often if water and electricity were provided even every other site or certain site areas! The pit toilets are ok they are always very clean as well as the grounds!	9/8/2022 11:48 AM
7	additional horseback riding trails	9/8/2022 10:00 AM
8	more trails	9/8/2022 9:31 AM
9	Well water with pump, horses drink alot of water would also be nice to have a sight with electricity I believe both amenities would bring more weekenders to this or any location	9/8/2022 9:02 AM
10	Electric sites and water spigot would be awesome. Pumping water is difficult. More horse trails.	9/8/2022 8:41 AM
11	Single track trails and to get away from shooting range and UTVs	9/8/2022 7:31 AM
12	need bathrooms first . Would love water and electric hook ups.	9/7/2022 6:19 AM
13	Adding a few more campsites could help or expanding daytime parking. I think it would be great to partner with a local saddle club create an obstacle course like the one they have in Middle Inlet or other question campgrounds in Wisconsin it could really draw people in.	9/6/2022 6:40 PM
14	Electric to sites, electric well pump, one way trails.	9/6/2022 5:59 PM
15	Electric plug in More picnic tables and fire rings	9/6/2022 4:04 PM

3	Eagle lake launch needs better ramp, 2 would be nice. Clean up trees over hanging launch and parking lot. Overflow lot should have an entrance, and separate exit. This would aid in parking trailers and utilize space better. Disorganized on busy days. A walkway to launch downside hill. Cars should have a parking spot; they sometime use trailer spots.	10/2/2022 9:58 PM
4	Oxbow's boat landing had some issues, don't know if it was fixed.	10/2/2022 3:41 PM

51	Access is already good. I haven't noticed areas with undeveloped public land opportunity, but I'm sure there is some. I'd need to study that to answer this question.	9/25/2022 3:10 PM
52	more clean boats clean waters inspections	9/25/2022 8:32 AM
53	Existing boat landings should be well maintained. Two landings needing help are Dead Pike and Ike Walton lakes. I would suggest CAUTION when adding too many boat landings on remote lakes or large chain of lakes. The remote lakes need to stay non motorized and some large chain of lakes are overwhelmed in peak season. Safety and environmental impacts need to be considered. Larger rafts of boats on sandbars, crowded waterways and boating activity beyond the supervision of law enforcement are real concerns that can be impacted by boat landing access.	9/25/2022 7:48 AM

## Vilas County Outdoor Recreation Survey

93	None, prefer to see boat landings deteriorate, so less wake boats or motor boats can access	9/20/2022 4:10 PM
94	Lakota Landing on N Twin could be better. The strewn bricks they laid a few years ago do not stay in place for leveling a boat. The work done on Big Lake landing on Cisco Chain should be the standard- that is fabulous	9/20/2022 3:04 PM
95	Crab lake	9/20/2022 2:27 PM
96	No opinion	9/20/2022 1:11 PM

98	Lt. St. Germain boat landing. The road has extensive pot holes.	9/20/2022 11:49 AM
99	Prevent wake surf boating on small lakes. Dangerous to others and damaging to environment	9/20/2022 11:29 AM
100	Please Do NOT widen the channel from LK content to big saint! I do not want contents weeds to filter into the big lake, one way traffic keeps people safe keeps speeds down is big enough for a pontoon and traffic flow is never more than a few minutes	9/20/2022 11:29 AM
101	More landing on Lac Du Flambeau area lakes.	9/20/2022 10:19 AM
102	More landings on Manitowish chain	9/20/2022 10:13 AM

117	Continue protection from invasive species	9/20/2022 2:44 AM
118	Better signage regarding regulation...but best of all is enforcement of lake safety rules which is terribly lacking. I estimate only 10% of boaters are scofflaws...and repeat offenders. Enforcement on the Water is virtually non existent but with larger, faster, deeper hulled boats there is also more silt displacement, more forceful waves, significant irresponsible driving of motored water craft.	9/19/2022 11:31 PM
119	Fix both plum lake ramps	9/19/2022 10:40 PM
120	Not familiar with boat landings in the area.	9/19/2022 10:26 PM

However, the biggest problem was always the one guy who parked his rig & blocked access to the boat ramp or the turn around -- BOAT LANDING ETIQUETTE NEEDS TO BE TAUGHT & RESPECTED!! Awareness about invasive species seems to be getting through but still surprised how many people do not clean off their motors, etc when leaving the lake.	9/16/2022 11:35 AM

## Vilas County Outdoor Recreation Survey

261	Encourage more snorkeling. Many more paddling trails and boat landing to access them	9/7/2022 4:24 PM
262	None whatsoever. Our Chain of Lakes is now unpleasantly overcrowded. It makes no sense when people who choose to live in or move to the Northwoods then work for further development. We are bordering on becoming the next Wisconsin Dells, if we're not there already. I just don't understand why we'd want to spoil the treasure we have in Vilas County by constantly pushing for more development, more tourism, more overcrowding.	9/7/2022 12:58 PM
263	None	9/7/2022 11:08 AM
264	The park at Highway G and Adams Road could use some help. For canoeing/kayaking, to get in the water you're often up to your ankles in sticky, smelly mud. A load of stone or some added concrete would help immensely.	9/7/2022 8:32 AM

270	Most I use are good	9/6/2022 7:10 PM
271	More docks, parking and patrolling. I have property next o a boat launch and I am constantly dealing with trespassing, littering and the rude behavior at late and early times. Boat launches are just that boat launches. They are not picnic areas, swimming areas or areas to take your dogs swimming.	9/6/2022 6:47 PM

14	Too many XC trails have had noisy activities added near by. Cross country skiing is a silent sport. Hard to be that, when it is a trail adjacent to a snowmobile trail. Also, bike trails that cross country cross-country trails need to have better signs to indicate the need to stop and actually look for skier. Ban smelly and noisy SUVs and ATVs everywhere.	9/29/2022 11:40 AM

1	Too many of them.(ATV and snowmobiles) They pollute and stink...	10/3/2022 10:00 AM
2	Control growth. A lot of UTV causing noise and environmental damage and several safety issues at road crossings.	10/3/2022 7:05 AM
3	Snowmobile. The town and HI way depts should be more aware of the trails that are on a road. No need to plow right down to pavement, or clean side with a wing down. This harms and can overheat some snowmobiles. A bad route that goes down a road no one wants to ride on. Word travel's fast at water holes between riders. Pretty simple no riders down that trail, no revenue for town, or businesses.	10/2/2022 10:05 PM
4	none	10/2/2022 3:42 PM

21	Keep them away from ski and snowshoe trails	9/29/2022 11:35 PM
22	ATVs and UTVs should NOT be allowed on county highways. If you allow them on the road where my home is located I will sell it. They already use it illegally and this must be enforced with fines! Vilas County is special because we don't allow them everywhere. Please continue that and keep one place on Earth with some peace and quiet. That's what drew me here	9/29/2022 6:03 PM

222	Improve trail markers! Too easy to get lost & potentially trespass. Grade the trails, too much washboard.	9/14/2022 9:43 PM

## Vilas County Outdoor Recreation Survey

223	Snowmobile road trails are snowplowed right down to the blacktop providing nowhere for the sleds to ride. (specifically, Town Hall Rd north of Eagle River, and Deer View Ln, also N of ER) This is a huge problem. Either leave a narrow strip of snow on the blacktop near the edge, or create a trail off the blacktop. Last year I burned thru 2 sets of carbides due to this as I need to travel these road to get to real trails.	9/14/2022 4:11 PM
224	Too noisy and smell of fuel for me	9/14/2022 3:30 PM
225	No improvement, leave it wild !	9/14/2022 11:58 AM
226	Grade atv trails more often.	9/14/2022 11:08 AM
227	More ATV trails	9/14/2022 10:59 AM
228	Don't force this activity on communities that don't want them	9/14/2022 1:13 AM
229	More atv trails needed	9/13/2022 9:23 PM
230	ATV - Need more off road trails. Do not like riding ATVs on the paved road. Gravel roads OK. Snowmobile - Needs to be more work to remove road sections of trails, and if they MUST be on the road, keep plow drivers from scraping the road dry.	9/13/2022 2:11 PM
231	More ATV trails would be nice. I like what you have but more miles would be treat.	9/12/2022 8:30 PM
232	Increase enforcement of existing regulations regarding speed and noise. Strive to limit the impact of motorized recreation on landowners or other recreationists. For example, if ATV's were quieter and I didn't hear them while I try to enjoy a quiet moment on my dock, I'd be less opposed to them. Address the dust that ATV's kick up as the ride along the HWY into Eagle River and into town. It makes our town feel dirty and rundown. Vilas county should place far less emphasis on motorized recreation. This subset of users has an outsized voice in the county and too much influence on the Rec and Lands committee.	9/12/2022 1:49 PM
233	snowmobile trails need more connecting trails to spread out traffic. also wider and straighter will make better use of available snow and easier to maintain/groom	9/12/2022 9:30 AM
234	none	9/12/2022 8:40 AM

236	Snowmobile - Trail along Highway G Connecting farm field trail to trail going to downtown Eagle River	9/11/2022 8:18 PM
237	Snowmobile- more trails to keep off roads or else instruct highway crews to NOT plow roads to the ditch!	9/11/2022 7:15 PM
238	Ohm, excellent system! It's a rare gem in Wisconsin but if you want to be an ohm destination it needs expansion. Opening atv trails to ohm allows mixed groups of atv/ohm families to ride together and easily increases miles for ohm who like wider trails. Ds and adv routes increase off-road miles with atv trail access. Free and easy to change access.	9/11/2022 6:50 PM
239	trail straighten/widening	9/11/2022 6:49 PM
240	Just more of alk	9/11/2022 6:14 PM

242	ATV- move to trails off Highways	9/11/2022 12:40 PM
243	Not to add more where they are not wanted would be an improvement. Have the choice in Q17 as "No way no how"!	9/11/2022 11:18 AM
244	Would like to see some OHM trails east of eagle river	9/11/2022 9:02 AM
245	Too many trails for these sports diminishes the silence, air quality and peacefulness of the up north experience. Lets start giving more to the beauty and quiet of the north.	9/10/2022 5:28 PM
246	Elimnate or restrict	9/10/2022 1:23 PM

260	Get them off roadways and into the forest	9/8/2022 12:25 PM
261	ATV- a connection to downtown eagle river so we don't have to trailer over to Holiday and unload.	9/8/2022 10:49 AM
262	The overall improvement is there needs to be tighter regulations on everyone using these motorized vehicles. People who don't have driver's licenses or ability to get them shouldn't be allowed to operate the other motorized vehicles either. This obsession with these types of recreation is ruining the peaceful nature of the outdoors and is making things unsafe as some have no business on these types of motorized conveyance or in charge of anything motorized to be frank.	9/7/2022 9:12 PM
263	ATV trail access on hwy 45	9/7/2022 5:41 PM
264	Open more trails	9/7/2022 5:29 PM
265	I'd like to see the ATVers do more invasive weed control and help control invasive plants on their trails.	9/7/2022 4:26 PM
266	OHM - just more trail.	9/7/2022 2:21 PM
267	Expand the OHM trails, separate from UTV routes with decent maps and increased difficulty, more technical challenging trail sections. More rocks, hills, slow, tight sections would be great.	9/7/2022 1:01 PM
268	It's become very difficult to know which roads allow for ATVs and which do not. Shouldn't all unpaved, gravel roads allow ATVs? Wouldn't that be easy for riders to understand? What would the purpose be of not allowing ATVs on a gravel road?	9/7/2022 1:00 PM
269	ATV more trails and would be nice if they were groomed. Snowmobile groomed more frequently	9/7/2022 12:26 PM
270	ATV need more off road trails, would be nice if they were groomed. Snowmobile, more frequent grooming	9/7/2022 12:20 PM
271	snowmobile- Wider, less tight/sharp corners. Sharp/tight corners generally make for rough/bumpy trails. Less safe.	9/7/2022 12:20 PM
272	We really need a way to bridge the gap between east and west (bridge by boatsport). Many are unable to "legally" get from one side of Eagle River to the other, or to access some bar/restaurants. Another example is from Sweetwater/Kickback/chain O Lakes store, to the Derby Track/CinCin's.	9/7/2022 10:29 AM
273	would like to see the snowmobile trails widened. Most are too narrow as two sleds can barely pass each other.	9/7/2022 10:25 AM
274	As a non-user, the dust that's kicked up by ATV use in the summer is incredible. Something needs to be done to the surfaces to make them not as dusty.	9/7/2022 8:34 AM
275	Widen the snowmobile trails for safety	9/7/2022 8:28 AM
276	ATV - need to be able to cross hwy 70 east of town	9/6/2022 8:53 PM

277	Snowmobile- they need increased grooming with the spike in users to not only smooth them out, but to preserve them	9/6/2022 6:54 PM
278	The Eagle River area gets so many people using the snowmobile trails they need to be groomed much much more than they currently are. We live in Vilas and trailer to other counties as to escape the horseshit trails around Eagle River! ALL renters should have to take a safety and courtesy class about riding snowmobiles and Atv and UTV's regardless of age. Mirrors should be mandatory as this will make the trails safer and more enjoyable.	9/6/2022 6:51 PM
279	Snomo. Groom more often	9/6/2022 6:19 PM
280	Better access around eagle river town.	9/6/2022 5:49 PM

283	Hook up Sugar Camp to trail system to Eagle River	9/6/2022 2:06 PM
284	Make wider. Maintance of highly used trails.	9/6/2022 1:58 PM
285	My snowmobile trail complaints are weather related, so I don't think you can fix that. Can I take 50cc dirt bikes on the trails?	9/6/2022 1:43 PM
286	I would like to see more ATV trails in the woods, such as using the snowmobile trails.	9/6/2022 12:59 PM
287	I found it confusing where I could and couldn't drive my atv. I'd like to see all roads open to it. I'd also like to see I trails that could be used going on hwy70 east out of eagle River over the bridge by boat sport marina	9/6/2022 12:48 PM
288	Grooming snowmobile	9/6/2022 12:11 PM
289	We are more hiking walking enthusiasts	9/6/2022 11:57 AM
290	I am honestly not a fan of ATV/UTV's. They are very noisy. The dirt they stir up and the sand they leave on the roadways is a mess. I think they are a safety risk to themselves and others!	9/6/2022 8:15 AM
291	Utv - better maintained. Remove rocks	9/6/2022 7:59 AM
292	lead an ATV trail into eagle River along USH 45 from the Chain of Lakes road north.	9/6/2022 7:56 AM

299	More off-road riding.	9/6/2022 6:23 AM
300	Limit all trails for motorized sports. Too many miles of trails for a small County forest. Erosion, and the spread of invasive are a major concern, and also noise and sign pollution are an issue.	9/6/2022 6:08 AM
301	Off Highway Motorcycle- more trails	9/5/2022 9:19 PM
302	More atv/utv trails to interconnect the area. More OHM trails	9/5/2022 7:23 PM

312	OHM- my 12 year old son and I travel 4hrs to ride Tamaracks ohm trails. It is the best in the state! The trails are in great shape. So, just adding more would be the only improvement!	9/3/2022 10:02 PM

322	Need more of them in the county.	9/2/2022 3:48 PM
323	Too much gravel making the ATV s trails more like roads. The preferred experience is a rugged trail that uses the capability of the ATV/UTV. If I wanted to ride gravel I would ride road routes.	9/2/2022 3:42 PM

## Q53 What bicycling improvements are needed in Vilas County?(Please identify locations and improvements needed.)

Answered: 422 Skipped: 694

#	RESPONSES	DATE
1	Areas where sharing with autos are very dangerous due to lack of shoulders. We ride very often, but transport our bikes to a good starting point rather than ride the roads to get there.	10/3/2022 10:20 AM
2	Connection off road or big bike lane on Highway W from HWY J to HWY B in Presque Isle.	10/3/2022 10:03 AM
3	Wider shoulder. Better routes. Police the speeds on shared routes. Cars are routinely exceeding speed limits by 10-15 mph	10/3/2022 10:02 AM
4	Increased signage and promotion for economic growth	10/3/2022 7:06 AM
5	Lessons for ebike renters re speed & rules of mind he road. Mandatory helmet rules.	10/2/2022 5:00 PM
6	separate bike trails from road use	10/2/2022 3:43 PM
7	I would prefer bike lanes in higher speed access roads and signs to warn drivers of bicyclists.	10/2/2022 10:29 AM
8	More bike paths not located in highway corridors. Need more single track mountain biking opportunities.	10/2/2022 10:07 AM
9	More off road paths, not simply following in close proximity to highways	10/2/2022 9:58 AM
10	None	10/1/2022 11:08 PM
11	Excellent	10/1/2022 6:38 PM
12	Existing trails are much appreciated, we ride almost daily	10/1/2022 5:27 PM
13	More trails not next to highways	10/1/2022 12:10 PM
14	Route along 70 east	10/1/2022 11:54 AM

16	Would like to see a paved trail between Win-Man trails and town of Presque Isle	10/1/2022 10:14 AM
17	Wish the bridges could be changed to have diagonal planks and get rid of the metal things at the start and finish of each bridge. I'm essentially a road biker and so just take to the road when I get to a bridge!	10/1/2022 9:08 AM
18	Connecting trails	10/1/2022 8:57 AM
19	Better enforcement of single file riding on town roads.	10/1/2022 8:52 AM
20	Our family likes to ride near our home with our daughter, who is 10 years old. We are near Deerskin Rd.; Rangeline Rd. & Chain O' Lakes Rd., but there are no bike trails or bike lanes & drivers don't often obey speed limits. Also, ATV's fly down the roads, and we like to ride to friends houses, to town & just explore. It would be nice to see bike lanes but I get that's not possible everywhere, so maybe signage in areas of blind spots with flashing lights powered by solar energy could be added?	10/1/2022 8:32 AM
21	Protected bike lane on hwy 70 east as well maintenance on the bike path that does exist on the side of the road but is grown over	10/1/2022 8:21 AM
22	Less stop signs on trails unless they are crossing a road	10/1/2022 6:22 AM
23	Need a trail along County P. This road is too narrow and winding to be safe for bicycling.	10/1/2022 4:13 AM
24	great biking trails in our area	9/30/2022 8:15 PM
25	More off road bicycle trails like the ones in and around Boulder Junction, Manitowish waters etc	9/30/2022 3:21 PM

27	Connect Heart of Vilas County paved trail with Presque Isle	9/30/2022 1:35 PM
28	Keeping trails clean and free of debris	9/30/2022 10:58 AM
29	More in Winchester and Presque Isle	9/30/2022 10:42 AM
30	We are just so pleased with the separate trails around Manitowish Waters and Boulder Jct. It has to be the most beautiful place to ride in the world. So my comment is only to increase the trail system when possible.	9/30/2022 10:42 AM
31	Bike trail along Hwy P would be nice	9/30/2022 10:28 AM
32	more trail connections	9/30/2022 9:48 AM

36	Well marked roads so motorists can expect bicycles to be there	9/29/2022 7:53 PM
37	None. Great trails. But I think it would have been a good idea if you had asked me about "concerns" with ATVs! Bias survey?	9/29/2022 6:05 PM
38	More off road trails	9/29/2022 5:15 PM
39	AV needs a trail. St Germain to Eagle River also.	9/29/2022 3:10 PM
40	Upgrade to existing bike trails from Crystal Lake to Boulder Junction — the oldest part of the HOV which just acquired National Trail Status.	9/29/2022 1:58 PM
41	Bike trails needed in Presque Isle to join with Boulder Junction and Winchester	9/29/2022 1:33 PM
42	maintenance of the trails	9/29/2022 1:06 PM
43	1. widening because of dramatically increased useage, or at least more comprehensive brushing; 2. restricting e bikes--the riders generally drive too fast and are inexperienced riders from which safety for others suffers greatly.	9/29/2022 12:30 PM
44	For the most part they are great. It would be great if the bike trail from boulder would connect to the bike trail in Minocqua. It would really be helpful if trails would be maintained to remove the buckling asphalt. Post signs that say single file biking is safest. It is tough when a bike comes around the corner and is confronted by bikers who are using the entire trail. Especially if the biker is going downhill. Keep the trails away from ATV trails and other noisy things, as well as smelly things.	9/29/2022 11:45 AM
45	Bike lane on HWY H in LdF!!!	9/29/2022 11:14 AM
46	Keep bike riders off our roads and on the trails where they belong!	9/29/2022 6:51 AM
47	The North Creek Loop trail would be a great benefit.	9/28/2022 10:35 PM
48	More dedicated trail north of Gooches on hwy m going to presque Isle and land o lakes. Current trail dead ends at dairymen's rd.	9/28/2022 9:37 PM
49	None	9/28/2022 9:28 PM
50	More paved trails	9/28/2022 9:23 PM
51	Wider bike trails eg the Boulder Junction trail from downtown to County N is not up to today's standards. Also trail maintenance is sorely lacking on many bike trails eg from the intersection of M and N to Sayner has many uneven places due to tree roots and needs new asphalt.	9/28/2022 8:35 PM
52	Bicycle trails should be connected between more towns; St Germain to Eagle River. Vilas connected to Arbor Vitae to Minocqua or north to Land o Lakes even though S is a great bicycling route. Expand to any communities willing to be part of the present trail system.	9/28/2022 6:51 PM
53	widened shoulders on roads where possible for bicylists. We love to use bike shuttles for paddling, and to go to town (PI) to get food/drinks. Connect the paved trails where possible for silent sports recreation and transportation.	9/28/2022 4:39 PM

## Vilas County Outdoor Recreation Survey

54	Bike trails should not intersect with or be parallel to motorized sports trails where the sandy soil is often disrupted to create clouds of dust that impact breathing and visibility.	9/27/2022 7:46 PM
55	Bicyclists have to realize there's enough room for all sports	9/27/2022 6:28 PM
56	Additional paved trails in eastern Vilas County. Development and construction of the River Trail, including the portion through the Town of Lincoln, and bridges across the Wisconsin River and Mud Creek. Additional trails from Eagle River to Conover and to Land O Lakes, that are not adjacent to existing ATV/UTV trails (see previous comments regarding ATV/UTV trail use). I appreciate the paved trails (Heart of Vilas) in Sayner, Boulder Junction and Manitowish Waters, and the absence of ATV/UTV trails in those communities. I also appreciate the new Conover-Phelps trail, even though the majority of the trail is not paved: ATVs and UTVs are prohibited there.	9/27/2022 6:05 PM
57	More connecting trails between towns would be great. I love the new trails that have been built in the last several years (Great Head Water Trails, Three Eagle Trail, Tara Lila)	9/27/2022 3:47 PM
58	direct bike trail connecting sayner and st germain on 155	9/27/2022 2:34 PM
59	More paved trails	9/27/2022 2:33 PM
60	More loop rides. Manitowish, Boulder are amazing!!	9/27/2022 12:34 PM
61	The Vilas County bike trails are wonderful. One improvement would be a few more trailside shelters in order to wait out rain showers / thunderstorms as well as strategic bathroom facilities along the trail system.	9/27/2022 10:33 AM
62	More quality mountain biking trails or upgrade the ones we have ; a road bike trail between Boulder Junction and Presque Isle	9/26/2022 8:46 PM
63	Trail between presque isle and boulder junction.	9/26/2022 8:45 PM
64	would be great if Winchester, Presque Isle & Land-O-Lakes had trails that connected & were connected to other trails in the county	9/26/2022 8:10 PM

## Vilas County Outdoor Recreation Survey

83	connect existing trails between communities	9/25/2022 7:52 AM
84	Better maintenance of bike trails	9/25/2022 7:26 AM
85	Maintain and build new bike trails, both paved and single track	9/25/2022 12:47 AM
86	Bike self-repair stands along the paths periodically would be nice in case of a flat, etc	9/25/2022 12:29 AM
87	Bike path finished on H and K	9/24/2022 11:17 PM
88	Snowmobile trails should be maintained and utilized as bicycle trails during non winter months.	9/24/2022 10:46 PM
89	Keep ATV trails away from bike trails! I will never go back to trail from Forest Lake to Land O'Lakes because I had dust and fumes in my face, almost skidded on gravel from where trails cross, and had to drive off the road section due to kids on ATVs driving way too fast. Also, build bike trail from Boulder Junction near Gooches into Presque Isle town center	9/24/2022 10:45 PM
90	Do not want to ride on many roads. Am grateful for bike paths.	9/24/2022 9:33 PM
91	Some of the bike trails around Boulder Jct need some TLC	9/24/2022 8:57 PM
92	Extend Hwy W trail to Presque Isle. Trail for Hwy J to Mercer is good because it's not safe. Trail on H from K to 51.	9/24/2022 8:36 PM
93	more trails, more connectivity	9/24/2022 8:12 PM
94	More trails, expecially in Presque Isle	9/24/2022 8:05 PM
95	Continue to increase biking paths - we've become a Midwest destination for many bikers, and that's really a wonderful thing.	9/24/2022 7:43 PM
96	Vilas has great trails. Bike lanes on roads would be nice.	9/24/2022 7:35 PM
97	More paved trails! More information to motorists that we can ride ON THE ROADS BY LAW! It would be good to put signs to this effect everywhere.	9/24/2022 7:13 PM
98	Connect Eagle River to the Heart of Vilas Trail. Add bike lanes to Highway 70 and 45 North to Chain o' Lakes Road.	9/24/2022 11:51 AM
99	Bike path that connects Presque Isle to Boulder Junction and Manitowish Waters.	9/24/2022 10:30 AM
100	Nothing that I can think of. Great bike trails and mountain bike trails at Fern Trail	9/24/2022 8:03 AM
101	Extend paved trails	9/23/2022 10:08 PM
102	more trails- better maint.	9/23/2022 6:03 PM
103	None	9/23/2022 11:19 AM
104	Finishing connecting trails thru Eagle River in all directions, especially Toward St. Germain	9/23/2022 10:54 AM
105	We have the most beautiful trails...maintenance is needed in several areas. (Of course not in Manitowish to Boulder Junction. This is pristine!)	9/23/2022 9:48 AM
106	We ride regularly on the the Boulder Junction / Manitowish Waters trail, which is a wonderful asset.	9/23/2022 8:26 AM
107	More paved off-road bicycle trails are needed. Few roads otherwise have safe shoulders for bikes.	9/23/2022 8:18 AM
108	Hey G to the school needs a separate bike lane, not just a shoulder bike lane.	9/23/2022 6:40 AM
109	Pave trail from Conover to phelps..Also Eagle River to Three Lakes	9/22/2022 10:19 PM
110	Wider lanes along the highway and through Eagle River.	9/22/2022 6:48 PM
111	I am concerned as a motorist with the point where trails meet roadways, driveways and intersections. Way too often bikes go through trail stop signs, without looking for traffic or put their hand out assuming they have the right away. This is not only unsafe for the bicyclist but for anyone traveling behind on auto that needs to quickly stop.	9/22/2022 3:59 PM
112	More trails connected to Boulder Junction/Manitowish Waters system	9/22/2022 3:52 PM
113	More trails! The ones that exist are wonderful.	9/22/2022 3:34 PM

## Vilas County Outdoor Recreation Survey

114	Keep it going, with ebikes I will continue to bring my family for generations to villas county for the silent rides, cute towns and amazing paths	9/22/2022 2:59 PM
115	Great biking area. I have no requests.	9/22/2022 2:09 PM
116	More north south trails. Inter county trails. Vilas to Oneida	9/22/2022 1:30 PM
117	My location takes me on county B in Presque Isle until I can get to safer roads.? It would have been good to pave 1.5 feet on the shoulder each side.	9/22/2022 1:27 PM
118	Made the bridges a little easier to ride on. Add trail from Winman to Presque Isle	9/22/2022 1:04 PM
119	The trails are exceptional.	9/22/2022 11:47 AM
120	More trails! Especially River trail to St. Germain and trails to connect CP Trail to Land O Lakes and to Eagle River	9/22/2022 8:51 AM
121	A off road trail from Eagle River to St. Germain	9/22/2022 8:47 AM
122	Increased trail systems. I do not feel safe riding on the roads around here due to inexperienced drivers when bicycles are present, intoxicated drivers and large trucks.	9/22/2022 8:30 AM
123	Close ATV trails. The Town of Conover does not own the County Forest.	9/22/2022 8:09 AM
124	Off road trails inPI	9/22/2022 7:22 AM
125	connect Heart of Vilas to Eagle River and beyond	9/22/2022 5:17 AM
126	Extended trails. Cty B for instance. I'm m an avid biker generally confident in roads but roads like cty B are too narrow and curvy to feel/be safe. Paths are needed there or at least closer access	9/22/2022 5:14 AM
127	Signage asking bicyclists to inform walkers that they are coming up behind them!	9/21/2022 9:10 PM
128	Can't think of any. Bike trails are impressive and the new Conover-Phelps is GREAT!	9/21/2022 7:24 PM
129	Connect ER to St Germain	9/21/2022 6:38 PM
130	None	9/21/2022 6:37 PM
131	Better existing trail cleanup; County K & County N segments	9/21/2022 6:11 PM
132	Presque Isle needs a bicycle trail or some access to the Heart of Vilas County trail.	9/21/2022 4:53 PM
133	Please keep as is. Some are TOO overdeveloped!	9/21/2022 4:05 PM
134	connect all communities with bike path	9/21/2022 3:47 PM
135	Keep extending the trails; been riding them since original Boulder trail. Keep ATV trails away from bike trails - the dust and gravel really are a safety issue for bicycles. Start thinking of how to handle addition of e-bikes. Many of these riders are not as experienced; what physically slows down a muscle rider doesn't impact an ebike. The hills and turns are fun, but as trails get crowded, becomes an issue.	9/21/2022 3:06 PM
136	We need to create more off-road trails. They can be adjacent to roads. Also, we need to create more trail loops, both short and long.	9/21/2022 2:19 PM
137	More trails	9/21/2022 10:07 AM
138	Better bike signage (share the road) and bike lane designations (painted) in all Vilas County towns, especially those with connecting HOV bike trails.	9/21/2022 7:52 AM
139	Finish the Eagle River to St Germain trail	9/21/2022 7:23 AM
140	More off road trails like those in BJ and MW would be great.	9/21/2022 6:11 AM
141	Addition of rest rooms/rest stops; better direct trail access to eliminate need to ride on busy roads	9/21/2022 12:15 AM
142	Trails	9/20/2022 11:49 PM
143	safe route from Eagle River to St Germain and connector routes going north	9/20/2022 10:27 PM

## Vilas County Outdoor Recreation Survey

144	????	9/20/2022 9:03 PM
145	Paved off road trail connecting Conover to Land O Lakes and paved off road trail connecting Boulder Junction to Land O Lakes.	9/20/2022 8:36 PM
146	We have easy access to Heart of Vilas County trails - they are beautiful	9/20/2022 8:20 PM
147	Better bicycle routes in Presque Isle township (the ones in Boulder Junction and Mani waters are fantastic).	9/20/2022 8:19 PM
148	maintaining existing trails and expanding them to connect more towns. additional outhouses along the trail	9/20/2022 8:05 PM
149	Paved bike trails in Presque Isle area. One shouldn't have to drive 15 miles to get to a bike trail. It is too bad that an additional 2' of asphalt couldn't have been added to highway B when it was resurfaced. Vehicles pulling boats and trailers cut off bikers so riding on B isn't an option.	9/20/2022 7:44 PM
150	Continue to promote and build bike trails	9/20/2022 7:28 PM
151	Bike lanes on roadways where bike trail options don't exist and to connect or gain access to bike trails.	9/20/2022 6:06 PM
152	I am NOT concerned about safety, I just haven't ridden much in years.	9/20/2022 5:53 PM
153	More mountain bike options, having off road routes utilizing snowmobile trails that are maintained in the summer	9/20/2022 5:34 PM
154	Fewer loaded Packers fans!	9/20/2022 5:25 PM
155	Connect the trails	9/20/2022 4:29 PM
156	Heart of Vilas expansion to Eagle River	9/20/2022 4:13 PM
157	More trails and connection between existing trails. Trails should be separate from highways.	9/20/2022 3:55 PM
158	Would like to see something done with Hwy S to make it wider or get a separate bike path so we could truly use it as a way to get to Eagle River. Is currently designated a bike route but is very scary to ride on the way it is. Also, would like the Conover trail paved.	9/20/2022 3:20 PM
159	more off road trails	9/20/2022 2:17 PM

162	Try to connect St. Germain with trails to the east	9/20/2022 11:52 AM
163	increasing bike ability to grocery store and main street shops in St Germain would be appreciated (identified cross walks on hy 151)with police enforcement for violators who do not yield	9/20/2022 11:36 AM
164	Development of bike trails in areas where there are none and connect them to existing off road trails. Many of our roads are hilly and/or very curvy making them less safe to ride on the shoulder which is also sometimes not even suitable to bike on.	9/20/2022 10:37 AM
165	More paved trails connecting communities.	9/20/2022 10:32 AM
166	When county highways are repaved would be great to have road a foot wider, so that white lines could be painted leaving 6 inches of pavement for a safety buffer	9/20/2022 10:30 AM
167	greater safety awareness by trail users	9/20/2022 10:17 AM
168	Extended trails	9/20/2022 10:10 AM
169	I ride both roads and paths. Have been a long distance biker too. Would like to see warnings to people who don't ride carefully on the paths - like single file around curves and people talking in groups And I hate the bridges - boards laid across instead of diagonally mostly - I go on the road instead!	9/20/2022 10:02 AM
170	I would like a bike trail to go from the bike trail at hwy 70/South Bay Road in saint Germain, to Eagle River.	9/20/2022 10:01 AM
171	more silent sport trails especially in presque isle	9/20/2022 9:46 AM

## Vilas County Outdoor Recreation Survey

172	Keep developing paved trails and bike routes.	9/20/2022 9:42 AM

176	fine as is	9/20/2022 9:01 AM
177	New trail from Saint Germain to Eagle River & Saint Germain to Woodruff	9/20/2022 8:45 AM
178	Presque Isle	9/20/2022 8:40 AM
179	Prefer single track. Love WinMan.	9/20/2022 8:39 AM
180	Paved trail on Hwy P from W to K	9/20/2022 8:34 AM
181	Presque Isle needs to connect with Manitowish waters trails.	9/20/2022 8:22 AM
182	Extend trails. Presque isle for example.	9/20/2022 8:19 AM
183	More trails	9/20/2022 8:04 AM
184	Signs warning atv users of bicycles entering bike trail at Halberstadt road where bikes cross 70 and access the trail in the wooded lane. Atvs cannot see bicyclists from the atv trail.	9/20/2022 7:50 AM
185	More trails and better maintenance.	9/20/2022 7:47 AM
186	Continue the bike path to Presque Isle	9/20/2022 7:34 AM
187	Very interested in an off road paved path extension along Cut-Off Rd (Cty M) from existing path ending at Dairyman's north to Cty B. B is designated a road bike route by several groups/maps, but M feels narrower and less safe riding on. Finishing that connector would be an important link to Boulder Junction and the Heart of Vilas trail.	9/20/2022 7:30 AM
188	Bike trails near me are fabulous.	9/20/2022 7:28 AM
189	Road route map to identify. Bike trail on CR W from the end of bike route, south of Presque Isle, to connect with trail at winman. Riding on W is extremely dangerous.	9/20/2022 7:16 AM
190	More biking trails	9/20/2022 6:45 AM
191	More paved trails.	9/20/2022 6:27 AM

195	More seperated trails and some shoulder improvements but leave k and razorback as they are	9/19/2022 10:44 PM
196	Be sure to recognize that motorized activities are inherently incompatible with non motorized activities.	9/19/2022 10:09 PM
197	Road shoulder and signed bike routes	9/19/2022 10:08 PM
198	Keep up the fine work and extend our existing bike trails - they're a treasure	9/19/2022 9:56 PM
199	Trail from Powell RD to Greer's pier in Man Waters	9/19/2022 9:51 PM

201	connect Presque Isle to existing bike trails	9/19/2022 9:50 PM

203	Numerous bicycling improvements have been made in Vilas County over the last 5-10 years. We don't need any more trails. Additional trails will only take away from the natural beauty of	9/19/2022 9:27 PM

the area, especially ones that route bikers down scenic roads like Crab Lake Rd (Presque Isle).

204	More trails connecting to existing trails, preferably off road. Along highways would also be ok.	9/19/2022 9:23 PM
205	More trails	9/19/2022 9:18 PM
206	None	9/19/2022 8:59 PM

212	More paved trails	9/19/2022 8:40 PM
213	More off highway paved trails. I'm not one to ride on highways/county paved roads. Wider shoulder for bike trails.	9/19/2022 8:39 PM

218	Additional off road trails (paved) would be nice. Love biking on newly paved roads.	9/19/2022 4:35 PM
219	More connections between communities- Conover to Eagle River, Conover to Land O Lakes	9/19/2022 4:20 PM
220	The paved trails should have signs telling people to bike single file. Also center lines would be nice. Too many people use the whole trail and there are many blind corners due to all the trees.	9/19/2022 4:01 PM
221	More trails off the road	9/19/2022 2:51 PM
222	More biking trails separate from roads	9/19/2022 1:55 PM
223	more connected trails!! connect phelps-conover to eagle	9/19/2022 1:44 PM
224	Adding on to the existing trails to connect more towns. Most of the existing trails are in great shape & well maintained. The Conover-Phelps Trail could use some maintenance to control the ruts & weeds.	9/19/2022 1:30 PM

233	Extending bike trail from Arbor Vitae to intersection at M and N.	9/19/2022 10:32 AM

## Vilas County Outdoor Recreation Survey

234	Need to connect and pave trail systems in Phelps, Conover, Land o Lake, and Eagle River to get full economic benefit	9/19/2022 10:26 AM
235	Add more separate bike routes within right-of-way but physically separated from roads. Biking is a good alternative to driving when a separate path is available.	9/19/2022 10:08 AM
236	We love the bicycle trails. Don't like the idea of sharing them with motorized vehicles such as ATVs or motorcycles.	9/19/2022 10:04 AM
237	Riding all over the county I find the eastern side in need of either more specific bike trails or safer road ways. I ride county Rd S 50 plus times a year to get to other trails and it is the most dangerous ride ever. Needs either a bike lane or a trail, preferred trail.	9/19/2022 10:01 AM
238	Three Eagle Trail gates are NOT user friendly to recumbent trikes! Gates close too narrow, and have to actually get off and lift trike to pass through! If they could be raised higher so trike could fit under, or if they right and left were staggered so we could put one side through and then the other, that would help.	9/19/2022 9:51 AM
239	Bathrooms	9/19/2022 9:26 AM
240	More bike paths	9/19/2022 9:25 AM

245	LOVE the paved bike trails we have!	9/18/2022 9:57 PM
246	Doing great on Bicycle offerings. The new trails at Fernridge are outstanding. The Heart of Vilas... world class! Let's connect Eagle River to St. Germain with a bicycle trail.	9/18/2022 9:30 PM
247	Extend the Heart of Vilas Trail to Eagle River. Have better signage for routes. Educate motorists & cyclists as to their rights and responsibilities	9/18/2022 6:58 PM
248	Definitely prefer bike trails and not riding with traffic.	9/18/2022 6:17 PM

250	pave trail to eagle river	9/18/2022 3:47 PM
251	Connecting heart of vilas to 3 eagle. Connecting mercer to winman. Separate trail off road.	9/18/2022 2:29 PM
252	None	9/18/2022 2:21 PM
253	Perhaps speed limits for electric bikes on the bike trail. It is disconcerting to have them zoom by so fast when bicycling	9/18/2022 1:44 PM
254	More designated bike routes like Hwy J.	9/18/2022 11:29 AM
255	More Bike trails and lanes on roads	9/18/2022 11:17 AM
256	I believe completing the missing trail link from St. Germain to Eagle River, along Hwy 70, will be a big attraction for bicycling tourists.	9/18/2022 11:04 AM
257	None	9/18/2022 10:34 AM
258	Safer / better access to paved trails from residential areas north of St. Germain.	9/18/2022 10:06 AM
259	More paved, connected trails & parking areas	9/18/2022 9:45 AM
260	Keep connecting bicycle paths so one can ride from Three Lakes to Manitowish Waters, as an example.	9/18/2022 9:31 AM
261	Continue to connect network of bike trails	9/18/2022 9:15 AM

298	More trails	9/16/2022 7:19 PM
299	The Boulder Junction trail near M is too narrow, hilly, and curvy to meet today's standards. The trail west of the M/N Junction towards Sayner needs to be redone. The wooden bike boardwalks between downtown MW and K are so bumpy, they're dangerous, and should be redone.	9/16/2022 6:20 PM
300	More trails	9/16/2022 5:26 PM
301	More bike trails but NO ATV's or UTV's.	9/16/2022 5:20 PM

308	I don't bike, but am impressed with the trails near Boulder Junction. Well maintained! They fit into the landscape well. Trails should be added where bikes are forced to ride on the road. County H is a bad one, although a trail is planned.	9/16/2022 1:38 PM

319	Love our bike trails for my family. Need to expand north to B and finish the North Loop trail.	9/16/2022 9:59 AM
320	Bike trails are great as well as some Town and County Hwys for bikes. There are a few routes that would be nice to connect- but please do not over improve our roads and highways by enlarging the pavement, cutting down trees, etc... Future bike lanes could be developed on old railroad grades and through state land. Bike trails that parallel county highways are good- but take away from the scenic beauty of the roads. A bike route that connects Sayner to Star Lake to Boulder Junction would be great- but only if it is not placed along the side of Rustic Road 60. Keep the bike trails on town roads, railroad grades and state land.	9/16/2022 9:57 AM
321	I like to ride a lot, but bicycles and motor vehicles of any type need to be kept separate.	9/16/2022 9:12 AM

356	Change the choices in Q21! I DO NOT fell comfortable riding on any road in Vilas County, including so-called Bike Lanes. I am Enthusiastic and Confident riding on separate OFF-ROAD facilities, not ike Lanes. The COUNTY should be supporting development of more OFF-ROAD Bike/Ped trails/paths. That would be an improvement.	9/11/2022 11:24 AM

372	trial to connect Eagle River with St Germain and the Heart of Vilas Trail. Trail connection from Boulder to Land O. Trail connection from Land O to Phelps. Trail connection from Phelps to ER through Washington	9/7/2022 4:28 PM
373	The River Trail is an excellent idea. It's too bad Town of Lincoln is hindering the development. Otherwise there are some beautiful trails in the County, along with lightly traveled roads that make biking enjoyable. The "bike lane" on Highway G is too narrow to feel safe, and not appropriately marked. I certainly wouldn't take a child on that specific route.	9/7/2022 8:35 AM

386	Cars drive way too fast on winding roads	9/6/2022 1:15 PM
387	None I can think of. However, I think bicyclists that try riding on roads over 35 aren't smart since you can't always see them in front the car in front of you. So there's been some close calls in my lifetime.	9/6/2022 12:51 PM

392	Better bike trails - off the highway	9/6/2022 7:55 AM
393	Bicycles should have to by trail passes like the snowmobilers/ATVer's do. The tax payers should not be responsible for developing the bike trails & to maintain them. The snowmobile & ATV clubs have to maintain the owner trails without the support of our local government.	9/6/2022 7:45 AM

62	I didn't know these trails existed. Improve publicity of what you already have to offer. Recommend maps to locations w information on each trail (length, difficulty level). the county would be beneficial. The # of trail intersections at the properties visited make it confusing.

93	I have not hiked these trails but will. We often hike Anvil, star lake, hidden lakes, porcupine's etc	9/15/2022 9:11 AM

105	The trail was not at all maintained	9/9/2022 11:22 PM
106	More equestrian trails. A horse crossing sign to alert motorist on Hwy 45 where horses cross from get to the Ski Hill Equestrian trail and back to River Rd Campground.	9/8/2022 6:40 PM
107	Spread trails around County not just Conover	9/8/2022 12:28 PM
108	access from equestrian campground without ATV trail	9/8/2022 10:05 AM
109	horse trails. 20 plus miles of single track trails would cause me to come use them if there was a place for horse camping. Doesnt need fancy, just hitch rails or highlines at first and places to park big rigs, like 40 plus feet. Can add electricity, pens and water to them if usage increases.	9/7/2022 7:43 PM
110	Better maps posted on the trails	9/7/2022 4:30 PM
111	The county could do a better job of cleaning up down trees and trail system there's been some pretty large weather events in trails haven't been cleaned up	9/6/2022 6:45 PM

115	More walking hiking trails around torch lake	9/6/2022 12:00 PM
116	Ask me again after I have knee replacement! :) Campers at Torch Lake would like more hiking trail access and better signage to find what is there.	9/6/2022 8:17 AM
117	Didn't realize there were so many trails. How do we get maps for these. Are they ever mentioned with maps in the vilas news vacationweekly segment.	9/6/2022 7:41 AM

120	I generally use these trails for horseback riding. The trail system is good but I think could be improved if there was a better way to ride between the three equestrian trail systems without having to ride the long, straight route down the shared use ATV trail.	9/5/2022 9:45 PM

## Q57 Do you have any other concerns or comments?

Answered: 312 Skipped: 804

#	RESPONSES	DATE
1	Comment to Vilas County in general. Be more concerned about misuse of waterways by those who have money to burn and bribe county officials with so you look the other way. The area is rarely quiet. It's a constant party or tournament on most lakes.	10/3/2022 10:07 AM
2	Should improve Cranberry Island sight. This is a longtime favorite and offers a Uneek experience. Couple grills, and tables.	10/2/2022 10:11 PM
3	The county has done nothing that I am aware of for the Presque Isle area silent sports.	10/2/2022 3:45 PM
4	Speed limits of 45 mph on Deerskin Road. Excessive ATV traffic and noise on that road.	10/2/2022 10:32 AM
5	Continue emphasis on silent sport access.	10/2/2022 10:10 AM
6	I would like Vilas County to remain committed to the environment and Bicycling /hiking and not promote utv/ atv trails as there are plenty of these trails in Price/Oneida/Iron counties. Vilas should stay pristine for future generations to enjoy the peace and quiet of natural habitats.	10/1/2022 11:16 PM
7	Too many people	10/1/2022 6:39 PM
8	Speed limit on Deerskin Road headed northeast from Rangeline to the Nicolet Forest needs to be lowered to 35 mph. Large groups of ATVs/UTVs pass through right next to high density cottages and can be heard from out on Deerskin Lake. Traffic of any sort going by at that speed with the turns in the road and the slight changes in elevation present a danger to pedestrians and bicyclists.	10/1/2022 5:38 PM
9	I am concerned about the conflict between hiking trails and ATV/UTV use and ATV/UTV degradation of the forest. Snowmobile trails recover in the summer and don't present the usage conflicts as do ATVs -UTVs!	10/1/2022 11:01 AM
10	I wish ATV's didn't have accessibility to main roads. We live in a forest & all these "machines" endanger wildlife & the habitat.	10/1/2022 8:37 AM
11	Too much emphasis is put on the motorized sports. They contribute income to the area, but so does the beauty of silence. People come here for quiet and relaxation more.	10/1/2022 8:19 AM
12	Protection of our forests	10/1/2022 6:24 AM
13	I am concerned about the increasing use of ATV/UTV. We initially moved to Vilas County because it was closed to ATV/UTV traffic.	10/1/2022 4:17 AM
14	I am totally opposed to ATV & UTV's on our roads in Manitowish Waters. We do not have to provide every type of outdoor activity available, We have beautiful bike trails available and an increased amount of traffic due to increase in tourism. We do not need to add something else to our already congested roads.	9/30/2022 10:15 PM
15	Not my comments on logging	9/30/2022 8:17 PM
16	I wish Vilas County did not allow ATV/UTV use.	9/30/2022 7:59 PM
17	Fear ATV/UTV coming into my area and being allowed on the roads and state trails.Hate the noise and destruction they cause. I come for the silent sports and peace I don't have in the city.	9/30/2022 3:31 PM
18	Prohibit ATVs and UTVs on roads. Require those vehicles to have liability insurance. Car/ATV and UTV crashes are going to happen and need to protect motorists. Limit wake boats and jet skis. Noisy, dangerous to lakes and many drivers are irresponsible.	9/30/2022 1:40 PM
19	I have very strong concerns about ATV/UTV's being allowed on county roads and the capacity of our lakes for wake boats and the potential damage they cause.	9/30/2022 11:22 AM

## Vilas County Outdoor Recreation Survey

20	Please help keep ATVs off our roads. TY	9/30/2022 11:00 AM
21	See last section. It would be nice to know about more recreational opportunities. How do we find out?	9/30/2022 10:32 AM
22	I oppose ATV use in the and do not like having them near bike trails.	9/29/2022 11:40 PM
23	I feel that the hike, bike, paddle popularity is growing in Vilas Cty and would love to see it continue. It can grow without destroying ghe natural environment. I do not want to hear, see, or deal with ATVs in our area. I am not a snowmobile fan, but we are not generally in the same area or on the same trails.	9/29/2022 11:14 PM
24	Wake boats are bad for all of the lakes! Please ban them. In fact, I love the lakes that allow no water skiing or jet skis after 6 or 7 pm or before 9. It's fair to all. Make it county wide	9/29/2022 6:09 PM
25	No more ATV trails	9/29/2022 5:17 PM
26	I am AGAINST wake boarding and wake-ballasted boats. On our lake they would be/are an ecological disaster. Tourism dollars should never come before preservation of lake ecology.	9/29/2022 4:54 PM
27	Please continue to realize if towns do not want motorized vehicles, they should be allowed to maintain that status.	9/29/2022 2:01 PM
28	Do not create ATV trails in Vilas County. ATV's destroy nature and have offensive noise	9/29/2022 1:37 PM
29	no	9/29/2022 1:08 PM
30	ATV's and UTV's distract from my, and all of my friend's, enjoyment of Vilas Co wherever they are found.	9/29/2022 12:33 PM
31	I hope that ATV UTV are prohibited in the coming years, They are noisy and polluting	9/29/2022 11:31 AM
32	I had no idea these facilities, parks, trails, etc. existed. How do I get a map and more information?	9/29/2022 11:17 AM
33	I am very concerned at the potential development of motorized vehicle trails in Vilas County. I think this would be a huge detriment to the already booming attraction of the bicycle trails.	9/28/2022 10:38 PM
34	I'm concerned that ATV use will find its way into Manitowish Waters where the public has already voted to not have it present.	9/28/2022 9:42 PM
35	Addressing atv utv spreading of invasive species and wake boat disturbance of shoreline and other water users.	9/28/2022 9:41 PM
36	More opportunities in Manitowish Waters/Mercer area for kids	9/28/2022 9:30 PM
37	Our 3 generations of family was drawn to Vilas Co for the peace and quiet. Keep ATV/UTV out of Vilas Co	9/28/2022 9:25 PM
38	I think there needs to be more emphasis on hiking and exercise and not riding motorized vehicles in forests and other outdoor venues. Motorized vehicles are pollutants, noisy, and not any exercise. I prefer to enjoy forests for their natural beauty and quietness.	9/28/2022 8:43 PM
39	For the past 10 years I have encouraged 10 to 20 folks from the Milw area to spend a 5 day weekend biking with me on the Vilas Cty bike trail system and area roads. They spend money on lodging, food, souvenirs, some have bought property, rafting, kayaking, rentals, &hiking, eating ice cream, etc. The economic impact is significant just with the small group. Encourage Oneida Cty to jump on the bandwagon with bicycling improvements. Build the trails and we will come. Thank you	9/28/2022 7:03 PM
40	I chose Vilas County 22 years ago for it's dark skies, abundant wildlife, silent sports, occassional motorized sports such as waterskiing, fishing and snowmobiling, and have loved to see the paddling and biking and skiing culture grow. I chose it for the winding roads and water at every viewpoint. Don't add danger and noise and wildlife degradation. Vilas should remain quiet and let that economy grow and thrive.	9/28/2022 4:45 PM
41	Number 1 thing I would like to see is more roads in Lac Du Flambeau open to ATV's. I love ice fishing and it would be nice to lake hop on my ATV, versus loading everytime on a trailer.	9/28/2022 3:43 PM
42	concerned about increased noise levels and negative impact of wakes by wake boats, water skiers, and jet skiers.	9/28/2022 12:40 PM

## Vilas County Outdoor Recreation Survey

43	<p>Aside from the dust created by ATV/UTV's, the erosion and destruction of the forest soils, and the quick routing of invasive species into forest areas, my concerns are also with the impact of the noise of these recreational vehicles on residents. As an example, those who have property on lakes that border Boot Lake Road and Hunter Lake Road have to deal with engine noise generated by ATV/UTV traffic, especially on weekends. These roads are the only routes that can be followed to access designated trails near Buckatabon Rd. The disruptive sound of these engines is akin to the noise found near a race track, since ATV/UTV vehicles do not require mufflers and frequently travel in groups. This noise is the antithesis of peaceful living in the Northwoods. Therefore please direct your efforts to preserving the sounds of the natural forest by re-routing motorized sports trails to areas where citizens who live in Vilas County aren't highly impacted by the noise or the traffic generated by recreational motorized vehicles. And you might also consider the additional environmental effects mentioned earlier which are also the result of motorized sport vehicles: soil destruction/erosion, introduction of invasive species, and airborne dust. "The mission of the Vilas County Forest is to manage, conserve, and protect our natural resources on a sustainable basis for present and future generations. Management must also balance local management objectives with broader state, national, and global concerns. Through integration of sound forestry, wildlife, fisheries, endangered resources, water quality, soil, and recreational practices, management will provide resource sustainability and renewable resource products for the future under the nationally recognized sustainable forest management standards of the Sustainable Forest Initiative®." Those words are meaningless if ATV/UTV vehicles continue on the same path as currently. I strongly urge the Committee to consider the points brought up in my comments.</p>	9/27/2022 8:19 PM
44	Noise pollution, Destruction of forest lands, habitat, wetlands by ATV's	9/27/2022 2:36 PM
45	Keep ATV's UTV's out of communities that don't want them. There are plenty of opportunities for that in other counties.	9/27/2022 12:36 PM
46	ATV/UTC Usage in areas they are not permitted to be in and the use of wakeboats in lake they dont belong in.	9/27/2022 11:58 AM
47	Majority of Vilas County managed out door facilities are in the eastern & southern parts of the county.	9/27/2022 9:55 AM
48	not protecting our lakes from overuse (eg wake boats and large boats on lakes not well suited for their use); not protecting our water and forest resources from invasives; education of part time residents (and some full) of preserving and protecting the up north experience including shoreline protection, dark sky lighting; gentrification	9/26/2022 8:54 PM
49	Motorized equipment for outdoor recreation continues to evolve with faster, more complicated, more "exciting" features which delight those who recreate by seeking thrills and action. But there are limits to the carrying capacity of our lakes, our woods, and the imposition posed on those who do not enjoy these forms of recreation. There have to be limits or ways to manage the competing interests and we cannot continue to just expect to accommodate the bigger, better, faster, flashier machines, just because the sporting goods industry has them to offer.	9/26/2022 8:16 PM
50	Manitowish Waters resident. I use trails in this area	9/26/2022 5:20 PM
51	Do not want atv use in Manitowish Waters.	9/26/2022 5:13 PM
52	Atv/utv's disturb the peace and quite that I enjoy and allowing them in all areas of Vilas County would be a shame.	9/26/2022 4:29 PM
53	I have a HUGE safety concern regarding ATV/UTV's on the roads. The ATV's & UTV's should stay on the trails; not on the paved roads	9/26/2022 4:10 PM
54	I fear that no matter what the majority wants you will stuff ATV's on us!	9/26/2022 10:36 AM
55	Respect community wishes when there is opposition to ATV access	9/26/2022 10:02 AM
56	Thank you for all the you do for the trails	9/26/2022 9:53 AM
57	No to atv and utv	9/25/2022 10:04 PM
58	Concerned about push for ATV TRAILS in communities who have voted against having them.	9/25/2022 9:20 PM
59	My wife and I love Vilas Co. and welcome any improvements to habitat and limiting ATV's to restricted areas. The St. Germain area is getting very dangerous to walk leashed dogs on trails	9/25/2022 8:16 PM

## Vilas County Outdoor Recreation Survey

or roads during ATV season lately. DNR should patrol more ATV trails as they do for snowmobiles.

60	I hope we allow parts of the county that do not have ATV/UTV access to remain that way. The voters have addressed this and that is what they want.	9/25/2022 7:15 PM
61	Do not allow ATV's in Vilas County.	9/25/2022 6:06 PM
62	I don't use most of the trails mentioned in the survey since I live in western Vilas County. I have kayaked the Wisconsin River several times and it is a great experience. I don't mind snowmobilers when the ground is frozen but have concerns about the erosion that ATV's cause during the warmer weather. And they are not safe on roadways.	9/25/2022 4:08 PM
63	citizens need to be reasonable - not allowing sports is not good for the community, tourism and businesses; the UTV and excessive wakes issues are being way overblown by a select few who are VERY vocal	9/25/2022 3:47 PM
64	Vilas county is becoming over developed. We need to manage wake based recreation, and keep ORVs away.	9/25/2022 3:20 PM
65	ATV traveling on roads not to be used by them & going into private properties	9/25/2022 1:41 PM
66	I do not want ATV trails added	9/25/2022 9:23 AM
67	Most trails are in the eastern part of the county. We need more in the west.	9/25/2022 8:38 AM
68	Do not want to see more ATV/UTV usage on roads or trails.	9/25/2022 8:26 AM
69	I appreciated this survey. The questions and construct of the survey oddly illustrates that the focus is on eastern Vilas county. Manitowish Waters and western Vilas county is really not part of this inquiry. No parks, trails, or access points are near my home. The recreational divide between the eastern and western Vilas county is clear. I fear, the absence of western Vilas county focus except a chance to support ATV's and UTV in my area feeds an unfortunate stereotype from Eagle River leadership. I did appreciate the chance to give input on boat landings and new recreational opportunities. Going forward, you may wish to vet surveys like this with moderate folks who want to preserve the uniqueness of the Northwoods while allowing for smart growth.	9/25/2022 8:09 AM
70	No ATVs on trails or roads	9/25/2022 7:39 AM
71	Pickleball has grown so large that there aren't enough dedicated courts to keep up with the demand.	9/25/2022 1:49 AM
72	Too much ATV and snowmobile focus	9/25/2022 12:53 AM
73	Please no ATVs! They are far too loud, a drunk the serenity of the woods.	9/25/2022 12:32 AM
74	Wakeboats are ruining our lakes for fishermen, paddlers and all others. We were almost hit by one due to them not seeing us over their high bow. (we were anchored). Twice I was almost capsized. We have to leave the lake when they come out and dominate the entire lake because despite being very capable canoers it is no fun constantly watching for the big wake to arrive and turn into it to avoid being dumped in the middle of the lake.	9/24/2022 10:57 PM
75	Vilas County would benefit from maintaining and utilizing our snowmobile trails as bicycle trails during non winter months.	9/24/2022 10:53 PM
76	Stop trying to force ATV use on the roads, they belong on TRAILS, and not in swamps - destroying habitat	9/24/2022 8:16 PM
77	Less ATV UTV. Noisy and very dusty.	9/24/2022 8:07 PM
78	stop pushing ATV use/opening roads in towns that have voted not to have them!	9/24/2022 7:48 PM
79	I am very concerned that the Rec Department is skewed to putting ATV's everywhere. We need to preserve some areas in the county for activities that don't ruin the environment.	9/24/2022 7:15 PM
80	Prefer silent sports keeping the beauty and quietness of Northwoods. That's why we came here.	9/24/2022 9:09 AM
81	Vilas County has a lot to offer!	9/24/2022 8:05 AM
82	The county does not listen to it's voters	9/23/2022 10:11 PM

## Vilas County Outdoor Recreation Survey

83	stop ATV expansion!	9/23/2022 6:05 PM
84	We seem to be catering to those living in urban areas who come to the north woods to “have fun” riding motorized vehicles while making environmental impact on our lakes and forested areas. GREED is a terrible human characteristic.	9/23/2022 9:57 AM
85	Strongly opposed to ATV/UTV use on county roads. Besides the obvious safety concern, these vehicles are a noisy nuisance to an otherwise quiet and peaceful northwoods landscape. As a lakeside property owner, I am likewise very concerned about shoreline damage from hazardous wakes, and vigorously encourage hazardous wake regulation to protect our invaluable lakes and waterways.	9/23/2022 8:41 AM
86	We mostly use the same trails both winter and summer, but mostly the State owned and maintained trails. We use maps and the Map it Vilas County app to choose our trails.	9/22/2022 7:55 PM
87	The bike/walking trail off Hwy 45 (coming from the park on County K E is really nice. We use it all the time. Like the fact that it goes to Phelps. You have trees and the creek/ wet lands. We notice people riding bikes all the time. Not just on weekends. We walk there most days until snowmobile season starts. I can also snowshoe there during the days. Too many snowmobiles on the weekends.	9/22/2022 7:16 PM
88	Keep ATV/utvs out of Boulder Junction and Highland Forest.	9/22/2022 3:59 PM
89	Please don't open up more atv stuff. They are loud and dusty and they tear up the trails. You started this great bike destination and people flock in every summer for the miles of awesome trails.	9/22/2022 3:40 PM
90	I'd like to keep ATV's off our roads.	9/22/2022 2:11 PM
91	UTVs on state highways and speeding. They are not governed.	9/22/2022 1:34 PM
92	Please keep wake boats out of Vilas County. Encourage silent sports so that Vilas is known for them.	9/22/2022 1:06 PM
93	A number of surveys iin the Manitowish Waters area have voted down ATV access. We hope the majority results of these surveys will be honored.	9/22/2022 12:00 PM
94	I have property in Manitowish Waters. I am very concerned about jet ski, wake boat and extremely high volume of music on the MW chain. I oppose UTV/ATV in MW area. All the noise, light, etc is disturbing to me as well as the birds & animals that must contend with the racket all the time. The peace & quiet is being destroyed.	9/22/2022 10:42 AM
95	Continue to update and promote Vilas County Map It App. Great tool!!	9/22/2022 8:57 AM
96	Yes. I'm very concerned about the allowance of ATV use on local roads. They are very noisy and disruptive. I've seen firsthand how they have changed the town of Moab, UT and would not want the same to happen in this area. Keep them out.	9/22/2022 8:37 AM
97	Your County Board has a bad attitude toward public land.	9/22/2022 8:15 AM
98	Most of these trails are unfamiliar to us as we're new (5/21), seasonal residents who will retire here at some point, at least for non winter months. We love the outdoors and will look forward to exploring more in the coming years.	9/22/2022 5:18 AM
99	No	9/21/2022 6:38 PM
100	We prefer to limit the number of motorized vehicles allowed on trails or on the roads.	9/21/2022 6:36 PM
101	I am opposed to ATV/UTV trails/road use.	9/21/2022 6:31 PM
102	stop wake boats	9/21/2022 5:15 PM
103	The northwoods seems to be overdeveloped in certain areas. Too much sod, non-woods landscaping. I have a house here because of the woods and nature. I don't want a suburban look.	9/21/2022 4:09 PM
104	all the trash left by people visiting the north woods!!	9/21/2022 3:01 PM
105	I am concerned wake boats are having on the ecology of our lake. If people want to surf, they should go to the oceans or Great Lakes.	9/21/2022 2:23 PM

## Vilas County Outdoor Recreation Survey

106	As mentioned earlier I enjoy fish, as well as peaceful lake. I'm concerned, deeply, about what the wake boats are doing to the fishing lake bottoms and shoreline. As for the noise, the Northwoods are known for peace and quiet. Even though the wake boats and others are told to keep the music at a reasonable volume, most do not. In my opinion, something should be done, before the Northwoods completely change, forever!	9/21/2022 10:56 AM
107	We should look to better protect shorelines via enforcing wake rules. Protect our smaller lakes with limitations on large power boats and jet skis.	9/21/2022 10:10 AM
108	There was no mention of the Heart of Vilas County Bike trail system which one of the biggest tourist attractions in the county. Why not?	9/21/2022 7:56 AM
109	I would like to see better boating regulations posted like no wake times	9/21/2022 7:27 AM
110	I would like too see a greater DNR presence on Oxbow Lake enforcing boating laws.	9/21/2022 6:37 AM
111	Hate all terrains vehicles	9/21/2022 6:12 AM
112	Suggest adding pickle ball courts to St Germain - indoor as well as outdoor access	9/21/2022 12:17 AM
113	No ATV/UTV on county or town roads No wake or surf boats	9/20/2022 8:22 PM
114	maintain what exists then add new. expand bike trail to Presque Isle	9/20/2022 8:08 PM
115	No utv/atv on highway or in town, no wake boarding/ surf boats	9/20/2022 8:05 PM
116	I would like to see recreation opportunities for senior citizens. Access to walking and biking area in a variety of areas are badly needed.	9/20/2022 7:47 PM
117	I think promoting more silent sports would be an economic incentive to the area.	9/20/2022 5:55 PM
118	Keeping silent and motorized sports separated on trails/roads. I'm fine with motor boats (not wake boats), paddling boats and sailboats coexisting on lakes, but we don't drive 4 hours into Northern Wisconsin to be assaulted by noise and fumes. The Northwoods are a treasure. Let's try not to destroy that.	9/20/2022 5:43 PM
119	Would NOT like to see expanded atv trails	9/20/2022 5:39 PM
120	NO BALLASTED WATER SPORTS	9/20/2022 5:28 PM
121	No wake boats on Vilas Cty Lakes. Restrict water skiing hours	9/20/2022 4:16 PM
122	Should prohibit wake board boats from operating within 700 feet of shore on all lakes. Do it now before more permanent is done.	9/20/2022 4:01 PM
123	ATVs, jet skies, power boats are fine, but those can be used just about anywhere in WI or IL. Vilas County has unique natural resource attributes that cannot be found in other parts of WI and IL. I am Concerned that some want to make Vilas County like any other part of WI or IL	9/20/2022 2:56 PM
124	ATVs are incompatible with other users, especially bicycles	9/20/2022 2:20 PM
125	Thank you for asking our opinion!	9/20/2022 1:18 PM
126	Please extend the bike walking path to half mile in St Germain would be so nice to safely bike and connect to the larger trail system	9/20/2022 11:44 AM
127	We need a bike trail along Hwy B with a connecting link between Boulder Junction and Presque Isle	9/20/2022 9:28 AM
128	I am a fan of restricting wake boats and limiting ATV/UTV access to County roads.	9/20/2022 9:10 AM
129	Too many ATVs/UTVs and dirt bikes on the roads. Especially without licensing.	9/20/2022 9:08 AM
130	To preserve our natural splendor in Vilas county. To save it for our next generation. Stop building these huge storage units. And destroying all our trees!!!!	9/20/2022 8:49 AM
131	Keep atv and utv traffic off roads	9/20/2022 8:36 AM
132	I'd like to see a bike lane or path from presque isle to boulder junction. A lot of us bike on hwy b!	9/20/2022 8:32 AM
133	The beauty of Vilas county is the nature. I really dislike all loud, polluting, disturbing motorized vehicles/boats.	9/20/2022 8:24 AM

## Vilas County Outdoor Recreation Survey

134	People come here for the outdoor beauty. Need more protection for lake quality and noise pollution. Need to protect wilderness that remain.	9/20/2022 8:10 AM
135	Most of the parks and trails listed I have never heard of. The ones I do use like Shannon Lake, Fern ridge, Crystal Lake, Fallison, Awassa were not mentioned.	9/20/2022 7:51 AM
136	Concerned about hazardous wakes harming the shorelines. Concerned about too many UTVs and ATVs around.	9/20/2022 7:29 AM
137	Against wake boating and ATV access to trails and roadways	9/20/2022 4:34 AM
138	Deteriorating fishing and hunting due to excessive motorized sports	9/20/2022 3:03 AM
139	No atv or utv on public roads	9/20/2022 1:42 AM
140	ATV's, UTV's were forced on our township by a sneak vote then objections unheard or no opportunity to review and comment adequately on trails before they were imposed.	9/19/2022 11:47 PM
141	Please address the wake surfing issue. These will destroy our beautiful lakes if allowed to use them.	9/19/2022 10:48 PM
142	Love Vilas Cty	9/19/2022 10:29 PM
143	My family is vested in silent sport activities. We're pretty much opposed to ATV/UTV use in the county.	9/19/2022 10:02 PM

145	ATV. UTV. Do not belong on county highways	9/19/2022 9:54 PM
146	Keep utv/ATV's off highways! Put in bike trails to also keep bikes off highways.	9/19/2022 9:40 PM
147	Thank you for offering the survey.	9/19/2022 9:30 PM
148	We need more options for outdoor activities in the northwest part of the county. Better and more canoe and kayak access. More hiking and biking trails.	9/19/2022 9:29 PM
149	Problems associated with use of motorized vehicles	9/19/2022 9:21 PM
150	I like Vilas County as it is. There are almost too many people. I understand the need for change and improvement, but Vilas County is slowly becoming "over developed ". Of course I am older and more set in my ways...	9/19/2022 9:04 PM
151	I hate wake boats! It supposed to be Wisconsin's last wilderness- we need to work to keep it for future generations	9/19/2022 9:03 PM
152	Outlaw the creation of large, artificially created wakes on all but the largest lakes and no closer than 1000ft from shore. And do more enforcement of PWC violations.	9/19/2022 8:53 PM
153	Allow ATV/UTVs on County Rd•less polluting than cars & trucks, less fuel consumption	9/19/2022 8:47 PM
154	Do not allow ATVs on county roads anywhere in Vilas County	9/19/2022 8:42 PM
155	Atv/utv county road usage approved in all cities. This is for enjoyment as well as additional revenue for businesses.	9/19/2022 8:42 PM
156	I am VERY concerned about the proliferation of loud machines, i.e. ATV/UTV's in the north woods especially on public roads. We travel here for for the quiet beauty and this type of noise and commotion severely disrupts the environment physically and emotionally.	9/19/2022 8:39 PM
157	Silent Sports are an undervalued community asset that should be further developed for the entire region. There are substantial social and economic values to natural resources that enhance the quality of life for visitors and residents.	9/19/2022 8:37 PM

162	Too many UTV's sharing our Roads	9/19/2022 12:54 PM
163	Many of the trails listed I am unaware of. Adding them on Google Maps or through Alltrails.com would help others to find them more easily.	9/19/2022 12:36 PM
164	People derive more benefit from non-motorized trails than those that allow motor use. Government resources should be directed to where they are of greatest benefit to the physical, emotional and mental health of people. Non motorized trails are also better for the environment. Government resources should be protecting and enhancing our natural resources.	9/19/2022 10:18 AM
165	Concern about growing and unchecked ATV/UTV intrusion everywhere, especially in Vilas County Forest.	9/19/2022 10:09 AM
166	With the increase of e-bikes and recumbent trikes, need to be more aware of the size of these toys.	9/19/2022 9:53 AM
167	Better control of evasive weeds and more walleyes in Lost Lake.	9/19/2022 8:15 AM
168	How are you getting word out about these county assets? Think about spending some effort getting these places to become common knowledge in the community.	9/18/2022 9:33 PM
169	It's time to recognize the fact that many people are unhappy with the dust, noise, and environmental degradation caused by ATVs & UTVs. Please separate them out from the rest of the recreational uses and keep them in places where they won't disturb others.	9/18/2022 7:02 PM

173	In taking this survey, I realize I don't know about a lot about the existing vilas County Parks, trails.	9/18/2022 2:32 PM
174	Eliminate ATVs, jet skis and wake boats	9/18/2022 2:22 PM
175	Concerned about the poor water quality on Big St. Germain Lake this year and the massive amount of healthy weeds washing up on shore. Would like to see less wake and speed near shore	9/18/2022 1:49 PM
176	There is no need for full-time patrolling of any of the lakes by police.	9/18/2022 10:42 AM
177	Upgrade Oldenberg Ball fields. Placement of fields and upkeep are a mess. Fields need to be brought to playing standards. Placement of building for public usage was not well thought out. Need to improve Border around park to be more attractive. More shelters are needed, more bleachers are need,	9/18/2022 10:36 AM
178	NO ATV's on County & Town roads!	9/18/2022 9:47 AM
179	Yes! The few people that seem to pushing policing the lakes with our tax money. They want "quiet" but the tourists want to enjoy our lakes without harassment from patrols some want to hire.	9/18/2022 9:28 AM
180	Please no ATVs forced on us.	9/18/2022 9:17 AM
181	More mountain bike trails please!	9/18/2022 8:25 AM
182	No	9/18/2022 8:22 AM
183	Area towns have ice rinks but they are rarely maintained so unusable. We are a hockey/skating county. It would be nice to have an outdoor rink that actually gets swept and watered for kids to use. Safety matters. Can't just have it, needs to be kept up. There needs to be more focus on activities kids and teenagers would use. The goal is to get more young people to the area but our recreation is all focused on older persons and not things the younger groups are doing. Often feels like the people making these plans are out of touch w an entire demographic. Our goal should not be just to make tourists happy.	9/18/2022 8:15 AM

194	Connecting Eagle River to other major Vilas County bike trails seems to me to be the most significant concern for biking in Vilas County. Also, getting the Town of Lincoln on board with bike trail development through their precious township is a significant concern.	9/17/2022 7:58 PM

I have spoken to several people biking who were from out of state, I asked them if they would come to bike in BJ if we allowed ATV/UTV's and they immediately said "NO".	9/16/2022 5:25 PM
209	ATV/UTVs detract from outdoor recreation and the economic vitality in Vilas County	9/16/2022 4:53 PM
210	Thanks for asking.	9/16/2022 4:48 PM
211	Vilas county attempted to override our town's decision to ban ATV's on town roads by changing county ordinance to allow any individual to request opening county roads to ATV traffic and bypass the wishes of the local town citizens. Get rid of that ordinance change. What happened to democracy?	9/16/2022 4:35 PM
212	Recreational outdoor sports(Nonmotorized) activities needs attention throughout Vilas county. I	9/16/2022 4:32 PM

## Vilas County Outdoor Recreation Survey

travel throughout northern Wisconsin/Michigan to participate in winter skiing, biking, snowshoeing events. Vilas county has none!

213	I am sick and tired of simple minded assholes that can't take NO for an answer! The residents of my community have overwhelmingly voted against ATVs on our roads and in our forests. Why are there still debates on this? Why are our paid officials still trying to BULLRUSH this issue into law. If ATVs are allowed in my surrounding forest land, THERE WILL BE HELL TO PAY!!!	9/16/2022 3:03 PM
214	Your staff need more training to recognize issues.	9/16/2022 2:47 PM
215	I'm really concerned that ATV trails will be forced on townships where the majority of the taxpayers would rather not have them.	9/16/2022 1:41 PM
216	More bikes less ATVS	9/16/2022 1:22 PM
217	When assigning users to recreational trails, use 2011-2015 SCORP report to insure the recreational activities are compatible.	9/16/2022 1:22 PM
218	Please do not cater only to motorized sports. I understand the participants bring in tourism \$ but they can be so damaging, disruptive and noisy.	9/16/2022 1:02 PM
219	It is very important to me to separate different kinds of users: hikers, cross country skiers, canoe & kayakers need to have designated spaces a significant distance away from hunters, ATV riders, and motorboaters.	9/16/2022 1:00 PM
220	ATV/UTV use is creating dangerous practices in the north woods.	9/16/2022 12:22 PM
221	I am VERY concerned about the encroachment of ATV's in the towns that do not want them. Please keep them out of Boulder Junction, Manitowish Waters, Winchester and Presque Isle.	9/16/2022 12:11 PM
222	ATV/UTVs are a scourge on the beautiful Northwoods -- we have 7+ acres that should protect us from the noise & irritation but it is a constant buzzing. It is like living along 94 in Chicagoland which is what we wanted to avoid. ALSO 35 years & NEVER had a problem with trespassers -- we had 2 incidents this summer, including a theft! Apparently these folks think they can go & do whatever & not be held accountable. Yes, the incidents were reported to the Sheriff's Office.	9/16/2022 11:49 AM
223	I am concerned that the Boulder Junction area is still in dispute over ATV use, when there have been multiple surveys over the years showing the majority of residents don't want them. That area should be preserved without ATVs/	9/16/2022 11:37 AM
224	No ATVs or UTVs on or near Boulder Junction	9/16/2022 11:07 AM
225	Keep ATVs out of communities that do not want them. Wisconsin has 10,000 miles of ATV trails. It's nice to have a few areas where people can still enjoy quieter more natural activities without the noise and safety issues associated with ATV use. Nature, clean water and fresh air are our most valuable assets for residents and visitors alike.	9/16/2022 10:40 AM
226	My age and physical condition prohibit all but passive recreation, both mine and my husband's. When out of state family visit, they primarily fish and use biking trails for running.	9/16/2022 10:23 AM
227	I am against allowing ATVs/UTVs on trails in Vilas County. Often, when I see these vehicles on trailers, they are covered with mud. That indicates riders make a point of riding through mud, which roughs up trails and potentially off-trail land. Such tearing up of land is destructive to wildlife, forests, open areas and any creeks, rivers, ponds or bogs these vehicles are traveling through. I believe ATVs/UTVs harm the environment and the serenity for which Vilas County is famous and much beloved.	9/16/2022 10:22 AM
228	I am concerned about the safety of atv/utv use on local roads. Also the dirt and noise are offensive.	9/16/2022 10:14 AM
229	I'm concerned about our environment and our silent sport tourism if you allow ATV/UTVs in. Silent sports keep our town alive.	9/16/2022 10:03 AM
230	Most people come here to get away from the noise and hectic pace of their lives at home. Certainly others come to participate in motorized sports. If you bring motorized sports into all areas, you offend the majority.	9/16/2022 9:19 AM
231	More trails with dogs would be welcome	9/16/2022 8:58 AM

## Vilas County Outdoor Recreation Survey

232	Too much emphasis is placed on motorized recreation. Bad for air quality, bad for noise, bad for existing forests. Don't try to tell me 1 or 2 atvs parked in front of Lief's is bringing money into the area. What they spend isn't enough for the restaurant to even turn on the lights or fryers. Like all the trees being cut down and storage units being built; keep carving trails into the forests and the natural beauty of the area will disappear.	9/16/2022 8:45 AM
233	We do not want ATV-UTV trails here.	9/16/2022 8:32 AM
234	I live in western Vilas county so I use state forest trails and Winman trails	9/16/2022 8:27 AM
235	I want to see more city parks and have dogs welcome.	9/15/2022 12:36 PM
236	UTV/ATV use of public roadways is not safe or suitable. Wake boats are destructive to shoreland and dangerous to other users, and regulations/ordinances should be considered and passed immediately.	9/15/2022 11:25 AM
237	I am concerned about ATVs on roads in the county. I have encountered them riding without regard for road rules.	9/15/2022 10:59 AM
238	ATV should be limited to trails and not the roads. Increase boat patrol on the chain. Reckless drivers have increased. Promote silent sports on the lakes with potential meet ups of kyakers, canoers, and paddleboarders. Consider imposing no motor boat hours on the chain during summer months ie after 8:00 as many of the smaller lakes have.	9/15/2022 9:20 AM
239	Love the Vilas County Trails app. Wish more of the county trails would show up in the AllTrails app as that app does a better job of tracking your movements	9/14/2022 4:16 PM
240	Thank you for this survey	9/14/2022 3:34 PM
241	The no wake buoys need to be updated along eagle river to protect the properties along the bends of the river. There are random spots that do not have no wake buoys for no apparent reason where they should have them or people have physically moved them to be in front of their properties. Also only some have flashing lights or the lights are out.	9/14/2022 2:29 PM
242	Need off-road bike and ATV access along hwy 70 between St Germain and Eagle River - particularly from Hwy 17 to Eagle River	9/14/2022 11:17 AM
243	Signage is very important for recreational sport and also for pedal bikers.	9/14/2022 11:12 AM
244	I believe Townships should determine whether to allow or not allow ATVs	9/13/2022 9:18 PM
245	I avoid using the big lake chains during the tourist season (memorial - labor day) because they're so inundated with motor/wake boats.	9/13/2022 10:06 AM
246	I would like to see the ATV routes limited to the areas of the county that can best support an off-road trail system and where there is the greatest interest in that type of recreation. I would also like to see the Bicycle trail system developed to connect Presque Isle to Winchester and the Heart of Vilas trail network.	9/13/2022 10:03 AM
247	no	9/12/2022 8:32 PM
248	Please reduce the focus on motorized sports. The county seems to be so focused on that that they aren't investing in non-motorized things like bike trails. We need to diversify to attract and keep a variety of residents and visitors. Heavy motorized use makes the area unattractive to many people. Although not an outdoor recreation, the Eagle River area, with it's older demographics, needs a swimming pool so that older folks have a another option for exercise in the winter.	9/12/2022 7:00 PM
249	No	9/12/2022 8:47 AM
250	Boat launch on Lower Nine Mile Lake is almost unusable.	9/11/2022 1:46 PM
251	The county should play a stronger role in bringing together various biking related groups in the county to develop and implement and implement an actual "living" bike facilliteis plan, rather than something on paper to say they have a "plan" and then ignore it and not put any resources toward it.	9/11/2022 11:32 AM
252	Designated Birdwatching areas are few and far between. The north woods needs more of these!	9/10/2022 9:41 PM
253	Update to 2022 styles	9/10/2022 11:12 AM

## Vilas County Outdoor Recreation Survey

254	For years, silent sports have sustained the economy of the north woods. It's time to make them a priority once again. Enough trash, noise and superiority from motorized sportsters.	9/10/2022 10:54 AM
255	None	9/10/2022 10:50 AM
256	ATV racing and abuse is spoiling Vilas County as a naturally beautiful gem.	9/10/2022 8:52 AM
257	unregulated ATV and UTV use on our private road and also the disregard for ATV and UTV driving regulations in our area. They are a nuisance and dangerous.	9/10/2022 8:34 AM
258	would like to see some money spent on seeding the game trails on Villas County property. Everything seems to be spent on snowmobiles and ATV's. The game openings have not been maintained in along time	9/8/2022 8:20 PM
259	Being an equestrian and using the trails often I'm always very impressed with the courtesy and care taken by ATV drivers when we meet on the trail. I've never had an issue, ever!	9/8/2022 6:43 PM
260	Silent sports is kind of a funny term - is hunting a silent sport? golf? tennis? I guess so on all counts, right? Maybe the distinction is between motorized and nonmotorized sports.	9/8/2022 2:40 PM
261	None	9/8/2022 1:50 PM
262	Diversify county held land past just Conover	9/8/2022 12:29 PM
263	Some of the quest don't pertain to my use now but soul in the future.	9/8/2022 11:53 AM
264	Expanded horse trails that are not shared with ATV would be safer and more enjoyable	9/8/2022 10:07 AM
265	Don't mix horse trails with hunting or bicycles.	9/8/2022 9:35 AM
266	I would camp more at River road if trails were more sequled from other activities it is close to where I live but I feel uncomfortable riding some of the trail other than that the camp is fantastic.	9/8/2022 7:36 AM
267	Would love to see more trails in cavil as county for horseback riding and driving!	9/7/2022 7:50 PM
268	I travel all over this state and many others, traveling more than 30,000 miles per year hauling horses to ride. Give us a place to go, and we will come. But, please non motorized do not mix with motors.	9/7/2022 7:46 PM
269	Would like to see ATV/UTV use off the roads and policing be done for those race 2 and 3 abreast on townbroads.	9/7/2022 5:54 PM
270	I'd like to see more attention paid to controlling invasive plant species on all the trails. I'd like to see better posting for ATV routes in the County. IT should be roads are closed unless posted open in all areas where ATVs are allowed. That consistency would help to keep ATV's off roads/trails/ forest roads they aren't permitted to be on but claim not to realize that. I'd like to see some speed restriction on bike trails for e-bikes - at least when they are near other bikers and walkers. I'd like to see a county wide paddling map to encourage paddlers to use the whole county for multi day paddling trips with options for camping or staying in hotels. A start would be for Vilas County to upgrade it's canoe camping sites on the Wisconsin River.	9/7/2022 4:36 PM
271	Sorry to beat a dead horse, but be really, really careful about further development and relentlessly pushing additional tourism. The Chain of Lakes has basically been ruined at this point, with far too many condos, docks, boat slips/lifts, and traffic. Why do you guys insist on continuing to bring more and more people Up North, when you're inevitably going to find, eventually, that the things you love about living in Vilas County are slowly being ruined, in large part because of your push for growth, development, and tourism? Makes zero sense.	9/7/2022 1:05 PM
272	Damage done to lakes due to wake boats/poor watercraft operators is increasing rapidly and more attention to this matter is urgently needed.	9/7/2022 1:04 PM
273	Horse trails need to be devolped..beautiful camp area but need more trails accessible from trailhead	9/7/2022 10:55 AM
274	I would like to see additional single-track trails that allow equestrian use. Would love to see the development of a campground that allows equine.	9/7/2022 10:21 AM
275	Park and rec classes for yoga, paddle boarding would be nice	9/6/2022 9:49 PM
276	Dogs are part of the family and part of outdoor recreation. Very disappointed in the park	9/6/2022 5:13 PM

department for their lack of inclusion. Dogs are welcome in stores and restaurants but not at your parks in the great outdoors, doesn't make sense.

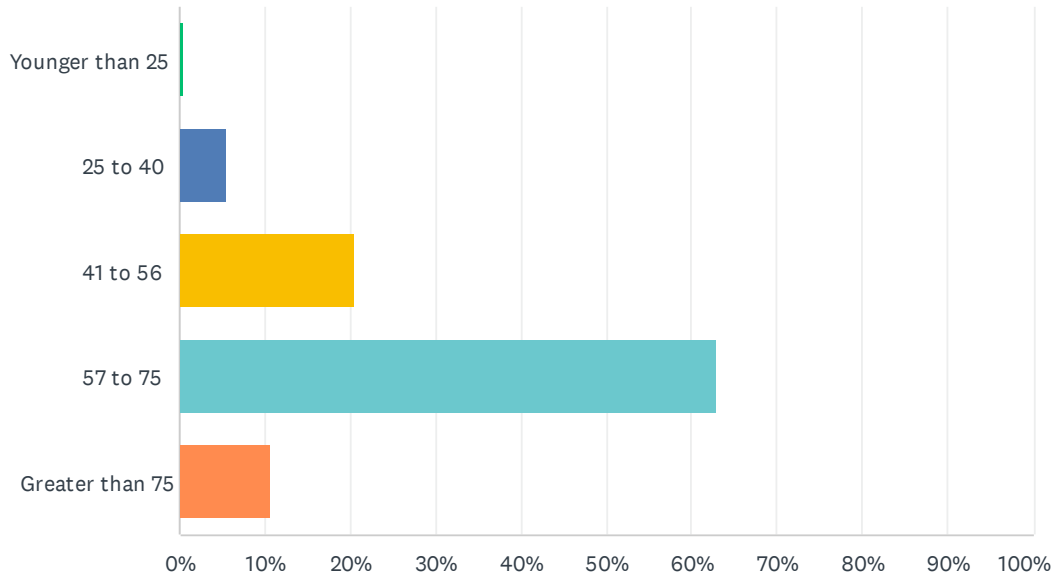

277	No	9/6/2022 4:29 PM
278	Maybe some of the campgrounds that aren't used much could add horse sites	9/6/2022 4:15 PM
279	Would really like to see improvements in the Equestrian Park. There are so many nice parks in Wisconsin that we go to that have all the amenities. I would be really nice to have it close to home. The trails are beautiful, but we need more places to go. It would be nice to hook the towns up like they are doing with all the bike trails.	9/6/2022 2:10 PM
280	Thank you for organizing this... I love this part of the state!	9/6/2022 1:42 PM
281	I don't like the traffic camera in town and what appears to be the presence of more police in the area. I don't know if there's been an influx of police fleeing major cities that defunded the police there but I don't like the extra presence there. It's a low crime area, I don't like seeing them, it feels like the city, I was so irritated when I saw that traffic camera and seeing multiple squad cars every time I drive through town we were talking about selling here and getting further out of town since things are obviously getting worse here. I want to feel like I'm in a small town, not a suburb of Chicago.	9/6/2022 12:58 PM
282	Can't say enough about Torch Lake campground. Gorgeous grounds, lovely bathrooms/showers. We come annually from Arizona to enjoy the start of fall. We'll be there in a few weeks! Can't wait!	9/6/2022 12:01 PM
283	With the amount of people using the trails and boat launches etc. Vilas County should start charging for use.	9/6/2022 11:10 AM
284	Area ATV and snowmobile clubs bring a lot of money to Vilas County but very few get any type of funding to maintain or improve the overall experience and safety.	9/6/2022 7:57 AM
285	I would utilize ATV/UTV trails and routes if they were made available in Winchester, Manitowish Waters, Boulder Junction and Plum Lake. Quit discriminating against motorized sports in these areas--this is not a wilderness area--everyone should be able to recreate lawfully.	9/5/2022 2:01 PM
286	Yes, I'll stay off the trails when the Internet becomes available in Phelps.	9/5/2022 1:02 PM
287	Yes, I'm a user of snowmobile and ATV trails. I'm not a user of silent sports, but support them. Use of the trails can be shared by all, don't like one group dictating how another operates.	9/5/2022 11:16 AM
288	Nope everything is taking good care of	9/5/2022 10:00 AM
289	You all are doing a marvelous job. We have gone to Vilas every summer and many fall dates for 36 years and brought our kids, now grandkids. The bike trails are outstanding, camping is great. New campground at Torch Lake including COVID preventive bathrooms/showers...brilliant. I am 68...need electricity for health reasons...camped at Crystal, Muskie, Trout, Firefly for 30 years. Can't now because of need for electric. Haven't camped at Torch since it opened..missed one year.Love to bike...trails and roads. Just need some connectivity to avoid major highways.	9/5/2022 8:30 AM
290	Overall pretty satisfied with county forest recreational opportunities. Would like to see continued improvements at Oldenburg Sports Park.	9/4/2022 7:49 AM
291	Not called Squaw Lake anymore	9/4/2022 1:18 AM
292	Vilas County should acquire additional acreage for its County Forests, whenever contiguous acres become available from private sellers and where such acquisitions make sense from a management perspective. Such acres are of more value to the County (forest products, recreation opportunities, etc.) in public ownership than if left on the tax rolls and in private ownership.	9/3/2022 6:41 PM
293	We used the Heart of Vilas County bike trail in 2021 and really enjoyed it.	9/3/2022 5:39 PM
294	Torch Lake campground is wonderful. Nice large sites, well maintained, great hook-ups and privacy between sites.	9/3/2022 4:55 PM
295	none	9/3/2022 2:36 PM
296	Vilas County offers very good recreational opportunities compared to other counties.	9/3/2022 11:07 AM

297	I love Vilas County, would like more silent spirt opportunities for RV campers	9/3/2022 6:32 AM
298	The dog restrictions are unreasonable	9/2/2022 8:00 PM
299	Would love to see more publicly owned ohm trails!!! My son and I are always looking for ohm trails to visit. We spend a lot of time in the areas with trails and love to explore the supporting communities.	9/2/2022 5:14 PM
300	We are very impressed with Torch Lake very nice Campground	9/2/2022 4:54 PM
301	It would be interesting to visit more of the list parks if not pulled in different directions. The hunting access is nice	9/2/2022 4:05 PM
302	Vilas county has done a wonderful job with torch lake campground.	9/2/2022 3:39 PM
303	The recreational system is not promoted enough as a whole. Unless you search it out, info about county parks, trails, etc., is not easily noticed or understood to even be a resource.	9/2/2022 1:37 PM
304	Love your County!!	9/2/2022 12:48 PM
305	We only visit Torch Lake for RV camping with our tiny house and we LOVE everything you folks are doing!	9/2/2022 12:26 PM
306	No	9/2/2022 11:53 AM
307	Torch Lake campground is very well planned. Love it!	9/2/2022 11:52 AM
308	the off road asphalt from Mercer to St Germain is a great asset	9/1/2022 11:11 PM
309	More non roadway atv trails. Winter ATV trails.	8/31/2022 6:20 PM
310	We would love to see bike trails in the town of Arbor Vitae. Especially one that connected to Boulder Jct's trails at the intersection of County M & N.	8/31/2022 3:04 PM
311	ATV & UTV are not regulated correctly or enough	8/29/2022 7:18 PM
